BOB DOLE
UNITED STATES SENATE

April 17, 1995

Dear Friends and Family,

Thanks to everyone for your generous hospitality. Your "welcome home" was memorable.

Our friends from throughout Kansas, as well as from other states, were impressed with the well-organized and festive pancake breakfast.

The courtesies extended to NBC's "Meet the Press" were appreciated. The national and area press praised the people of Russell and your willingness to help. Thank you for making them feel at home.

A special thanks from Elizabeth and Robin, as well.

Sincerely,

BOB DOLE

MEDIA BLITZES RUSSELL — If you know of any nationally recognized networks or newspaper services which weren't in the thick of it when Sen. Bob Dole addressed his fellow Russellites on the east lot of the VFW Hall this past Friday, then you've got a scoop.

Throughout the weekend, they were relentlessly prevalent at the Hays Airport, Russell's Main Street and every Dole-related establishment in town. By Monday morning though, Russell was back to "normal." (Staff Photo)

WELL-RECEIVED EVERYWHERE — Russell High School's Band, directed by Steve Lueth, standing right, drew unilateral praise when they performed during Sen. Bob Dole's recent announcements

as a presidential candidate in Topeka and Russell. Comments about the band's new uniforms were especially prevalent. "They sounded well and looked sharp," was the consensus. (Staff Photo)

Dear Maxine:

Good to talk with you recently. Hope all is well and settled in Russell after the events of last week.

I have enclosed a transcript of the Senator's remarks in Topeka, Monday, April 10. I don't know if he followed this script word for word.

As always, many thanks for your help.

*Best to you,
Bryan Dole*
