The First District Academy Screening Board will convene Friday, December 27, at 8:00 a.m. in Sheridan Coliseum on the campus of Fort Hays Kansas State College, Hays, Kansas. The Board will interview candidates for the various Service Academies and make their recommendations to Congressman Bob Dole.

"The Screening Board was devised in 1961," Dole stated, "to insure that all Military, Air Force, and Naval Academy applicants would be considered on a completely impartial basis and to assure selection and nomination of the best qualified applicants. Board members interview each applicant personally, review his high school or college transcript, physical exam reports, personal references, and all other data submitted. Recommendations are then made to me and followed."
