WASHINGTON, D.C. -- Congressman Bob Dole from the First District of Kansas was honored last night at a gala reception in the Nation's Capital. Congressman Dole was presented the Distinguished Service Award by the Board of Trustees of the non-partisan Americans for Constitutional Action.

ACA's Distinguished Service Award is bestowed every two years upon those legislators whose voting records in the Congress of the United States support legislation which serve to strengthen and defend the spirit and principles of the Constitution of the United States.

In presenting the award to Congressman Dole, Admiral Ben Moreell, Chairman of the Board of Trustees, stated: "On behalf of our Trustees I have the pleasure of congratulating you this evening and personally thanking you for your outstanding record in the Congress and devotion to those fundamental principles of good government which serve to promote individual rights and responsibilities; a sound dollar; a growing economy; and a desire for victory over communist aggression."

"The acceptance of this award does not imply that you are in complete agreement with all of the principles espoused by ACA nor does it imply any commitment for you to support them in the future," emphasized Admiral Moreell. "Our purpose tonight is solely to honor you for your dedication to the Constitution of the United States."

Congressman Dole is now serving his fourth term as a Member of the United States Congress and serves on the important Agriculture and Government Operations Committees.
