FOR IMMEDIATE RELEASE

308

WASHINGTON, D.C. Dec. 24 -- Senators James Pearson and Bob Dole today announced that the Interstate Commerce Commission will investigate the proposed discontinuance of Atchison-Topeka-Santa Fe trains 23 and 24 which run between Chicago and Los Angeles. The ICC will also investigate proposed changes in service of trains 1 and 2 which run between Chicago and San Francisco.

Effective date of the train schedule changes was Jan.

6. ~~However, the investigation over~~

According to the ICC however, the investigation means the trains will remain on their current schedules until May.
