FOR RELEASE AM'S THURSDAY, JANUARY 15, 1970

WASHINGTON, D.C., Jan. 15 -- U.S. Senator Bob Dole (R-Kans.) today announced the names of 50 Kansas youth he has nominated for appointment to the U.S. Military, Air Force, Navy and Merchant Marine Academies for classes beginning mid-summer 1970.

The 50 young men will compete for five academy vacancies assigned to Dole -- one, Air Force; one, Military, and three, Navy. Also included in the 50 are 10 youth, whom Dole nominated to fill Kansas' four vacancies at the Merchant Marine Academy.

Under the competitive system employed by Senator Dole to fill the vacancies, each academy selects the best qualified candidates from the Dole nominees on the basis of tests stressing academic ability and leadership qualities. Final appointments will be announced in May.
