FOR IMMEDIATE RELEASE - MAY 18, 1972

WASHINGTON, D.C., MAY 16, 1972 -- U.S. Senators Bob Dole and James Pearson today released the list of Kansas institutions that have been approved for the operation of the College Work-Study Program and the Educational Opportunity Grants Program for the period July 1, 1972 through June 30, 1973.

The College Work Study Program, authorized under Title IV, Part C, of the Higher Education Act of 1965, provides federal funds to pay 80 percent of student payrolls. A matching college, university, or off campus agency contribution will provide the remaining 20 percent.

Educational Opportunity Grants ranging from \$200 to \$1000 for each academic year of study, up to a maximum of four years, are awarded by participating institutions to students of exceptional financial need who are eligible for the program.

Educational Opportunity Grants require provision of an equal amount of financial assistance to a student from one or more of the following sources;

- (1) institutional, State or privately financed grant aid;
- (2) compensation from employment provided by the institution, including employment under the Federal College Work-Study Program, and
- (3) institutionally provided loans, including the National Defense Student Loan Program.

*A list of Kansas institutions of higher education involved in the Federal College Work-Study Program and the Educational Opportunity Grants program is attached.
