WASHINGTON, D.C. -- Senator Bob Dole said today that he has been in personal contact with

key members of the House Public Works Committee concerning approval of the prospectus for the Federal Building in Topeka. Dole urged the members to give immediate attention to the prospectus saying that the Senate Public Works Committee has completed favorable action on the project and once the House gives their approval, site selection procedures can begin. Dole received assurances from Congressman Ken Gray, Chairman of the House Subcommittee on Public Buildings and Grounds, and Congressman Jim Grover, a ranking member of that subcommittee that prompt action will be taken.
