WASHINGTON, D.C.--Senator Bob Dole today announced Department of Labor and Office of Economic Opportunity grants totalling \$41,550 to Kansas City SER-Jobs for Progress.

The funding will enable SER Jobs for Progress to open an office on January 1 in the Armourdale area of Kansas City, Kansas. It will provide job training for community residents who have no job skills to offer an employer. While the client is undergoing training, a job developer will be out in the field identifying and developing jobs for the individuals undergoing training.

Executive Director for the project is Lupe Gonzalez and Chairman of their Board of Directors is Carlos A. Vasquez.
