DOLE ANNOUNCES GRANT FOR CEREBRAL PALSEY

WASHINGTON, D.C. -- Senator Bob Dole today learned from the Department of Health, Education and Welfare that a federal grant of \$79,000 has been authorized for Wichita State University for utilizing engineering techniques to expand employment opportunities for cerebral palsied victims.

Dole said he hoped to have further details on the grant by Saturday, January 19 when he will speak at the annual meeting of United Cerebral Palsy of Kansas and the Jaycees Cerebral Palsy Foundation at the Ramada Inn Central in Wichita.
