HEW GRANT AWARDED TO WICHITA PUBLIC SCHOOL SYSTEM

WASHINGTON, D.C.-- Senators Bob Dole and James Pearson, and Congressman Garner Shriver today announced that the Department of Health, Education, and Welfare, through the Office of Education, has awarded a grant of \$264,782 to the Wichita Public School System. The grant is in connection with Project Link, an educational service to Kansas schools.

The grant will be used to develop and operate demonstration projects that hold promise of making a substantial contribution to the solution of critical educational problems common to all or several states.
