DOLE ANNOUNCES ACADEMY NOMINATIONS

WASHINGTON -- Senator Bob Dole (R-Kan.) today announced the selection of 40 young Kansans as his 1980 nominees to compete for appointments to the United States Air Force Academy, Merchant Marine Academy, Military Academy, and Naval Academy.

"I'm proud of the fine records and the enthusiasm of the applicants and am confident those appointed will represent Kansas with distinction," Dole said.

Using the "competitive method" of nomination, Senator Dole nominates a slate of 10 individuals for each vacancy he intends to fill. The Academy further evaluates the candidates and offers an appointment. He has one opening at the Air Force Academy, Military Academy and Naval Academy. The Merchant Marine Academy will select four appointees from the nominations submitted by all of the Kansas Congressional delegation.

Gradually, admissions representatives are contacting successful candidates to offer an appointment. Notification will continue through the middle of April.

"I hope that those young people interested in pursuing an academy appointment in the future will make every effort to become acquainted with each of these fine institutions," Dole said, "by contacting the academies, their Kansas coordinators or my office."

The nomination process begins in the fall, usually in the senior year of high school. Those interested should contact Senator Dole's office for application materials. The deadline for submitting completed forms is early December.
