WASHINGTON, D. C. -- United States Senator Bob Dole of Kansas was endorsed for re-election today by ACA (Americans for Constitutional Action). The non-partisan National organization, headquartered here, said it was endorsing Senator Dole because of his consistent voting record for constitutional principles.

Mrs. Charlene Baker Craycraft, Chairman of ACA stated, "Senator Dole is best judged by his performance during the 12 years in which he has served in the Senate. His legislative record gives factual evidence of his valuable and unselfish service to our Nation."

Americans for Constitutional Action (ACA) periodically rates all Members of Congress on issues which are of major National importance and adherence to constitutional principles. ACA's Chairman stated, "If every Member of Congress voted as Senator Dole, there would be little or no Federal debt, inflation would not be a problem, our National military strength would not be in question, and Americans would be paying lower taxes. His most recent rating, for 1980, is 77%."

Mrs. Craycraft cited Senator Dole's voting record as outstanding. "He puts the interest of the United States first and works continually for the preservation of constitutional government."

The endorsement of ACA brings to the Senator the support of highly distinguished citizens, Democrats, Republicans and Independents, who are Members of ACA's Board of Trustees.
