

#### DOLE RECEIVES GIFT FROM OLATHE SCHOOL

WASHINGTON, D.C. -- Senator Bob Dole recently accepted a posterboard of the Kansas flag constructed and signed by Tomahawk Elementary School students from Judy Booth, principal of the school.

Booth and Olathe School District officials Ruth Ann Hackler and Helen Voigts were in Washington to receive the U.S. Department of Education's Elementary School Recognition award. The award, presented by President Reagan at the White House, designates the school as one of the nation's best public schools.
