FRED BRAMLAGE

I'm deeply saddened by the passing of my good friend Fred Bramlage. It's a terrible loss for Kansas. He was a man who was completely dedicated to his state, to its people and to the community he loved so much. No doubt about it, Fred was Mr. Manhattan. His legacy is huge, his heart of gold irreplaceable. Whether it was education, veterans, economic opportunity or simply lending a helping hand to a neighbor, Fred Bramlage made a real difference for generations of Kansans.
