CLAYTON, KS. WATER SYSTEM TO RECEIVE \$214,800

WASHINGTON - Kansas Senator Bob Dole announced today \$214,800 in grant and loan funding to Clayton, Kansas, for improvements to a water system. The funding for the project was awarded by the Farmers Home Administration, a division of the U.S. Department of Agriculture.

"Rural water service is the lifeline for many small Kansas communities. I will continue to work with Farmers Home to ensure that this project and other essential rural water Kansas projects receive their fair share of federal funding," said Dole.

Clayton will receive a grant of \$147,000 and a loan of \$67,800 to assist in upgrading the city's water system including drilling a well, constructing a storage standpipe and replacing the distribution lines. The system serves 50 customers.
