JOHNSON COUNTRY INDUSTRIAL AIRPORT AWARDED \$620,577

WASHINGTON - Kansas Senator Bob Dole announced today that Johnson County Industrial Airport will receive a grant of \$620,577 for improvement projects at the airport. The discretionary funding, from the Airport Improvement Program, was awarded by the Department of Transportation.

"Johnson County Industrial Airport is becoming a significant transportation hub for many businesses and customers in the area. I pleased that the Transportation Department considers this airport a top priority with their continual support of the airport's projects -- projects that are vital for economic development in Johnson County," said Dole.

The funding will be used to install taxi-way signs and acquire land for approaches.
