DOLE ON DURENBERGER

WASHINGTON -- Senate Republican Leader Bob Dole today issued the following statement regarding the indictment of Senator Dave Durenberger (R-MN):

"In 1990, after a lengthy investigation, the Senate Ethics Committee concluded that Dave Durenberger had acted with no criminal intent whatsoever. Yet, three years later and after spending thousands of taxpayer dollars, an understaffed Justice Department was somehow able to piece together an indictment directly contradicting the Ethics Committee's conclusion that no criminal wrongdoing had occurred.

"I have every confidence that Dave Durenberger will be cleared of these old charges and will continue to be an effective advocate for the citizens of Minnesota."
