## **DOLE ON CLINTON BUDGET**

### **WHOPPING TAX & SPEND PLAN FLUNKS MAIN STREET TEST**

**WASHINGTON -- Senate Republican Leader Bob Dole today issued the following statement regarding the release of President Clinton's budget:**

"The Clinton budget stands for everything the American people thought they were voting against in November -- bigger taxes, bigger spending and bigger government. There's nothing about "change" in this whopping tax and spend budget.

"I've just returned from my home state and I know the Clinton budget will flunk the Main Street test: people out there in the real world just don't understand how record-setting tax increases and a taxpayer-financed spending spree by Congress will solve the deficit or put Americans back to work. They won't like it, and they'll be counting on us to bring the Clinton tax and spend plan back to reality."
