"TRAVELGATE" CONFUSION MOUNTS

WASHINGTON -- Senate Republican Leader Bob Dole this afternoon issued the following statement regarding the White House travel office affair:

"The unfolding 'Travelgate' scandal gets more and more confusing. The American people are totally confused, the media is confused, I'm confused, and the five employees who were unfired today are confused. That's why it's more important than ever for Congress to hold full and open hearings -- Congress shouldn't stand in the way of full disclosure of the facts."
