DOLE MOBILE OFFICE TO TOUR MORE WESTERN KANSAS COMMUNITIES

WASHINGTON -- Kansas Senator Bob Dole's mobile office will visit 24 communities in western Kansas from Monday, September 19 through Friday, September 23. The mobile office will be staffed by John Erickson, a member of Senator Dole's constituent service staff.

"We're always looking for better ways to serve the people of Kansas," Dole said, "and this office-on-wheels is intended to make it easier for more Kansans to get the personal service they sometimes need to help resolve problems with the federal government or to help cut red tape."

In addition to the mobile office, Senator Dole maintains offices in Wichita, Topeka and Kansas City, Kansas. The mobile office recently visited 18 other communities in western Kansas.
