WASHINGTON -- The National Commission on Economic Growth & Tax Reform will release its recommendations on Wednesday to Senate Majority Leader Bob Dole and House Speaker Newt Gingrich. The 14-member Commission, chaired by Jack Kemp, has been charged with re-examining the existing federal tax code -- looking towards a tax system that is flatter, fairer, simpler, and with lower rates.

The press conference will be held at 3:00 p.m. in Room 2168 of Rayburn House Office Building.
