Congressman Bob Dole, (R-Ks) 6th District, announced arrangements have been made with the District Office of the Corps of Army Engineers at Kansas City, Missouri, to hold a public meeting Wednesday evening June 7 in the American Legion Hall at Wilson, Kansas, concerning government land acquisition policies for the Wilson Reservoir.

Dole stated the meeting was arranged because of numerous inquiries received by him recently from individuals directly affected by the Wilson Dam Project.

"There are many questions only officials of the Corps of Engineers can answer and it should be helpful to have them discussed," he said.

The Kansas City Office informed Dole, Mr. Pettijohn, Chief Real Estate Officer from that office, and Mr. Shipp, Chief of the Wilson Real Estate Office at Russell will be present to attempt to answer any questions.
