DOLE ANNOUNCES GRANTS FOR MEADE AND WINFIELD AIRPORTS

Washington, D.C. -- Senator Bob Dole (R-Ks) announced today that two airports in Kansas will receive \$702,423 from the Federal Aviation Administration (FAA).

"These grants will provide for substantial improvements at both airports. It is important to continue developing and upgrading our transportation services in Kansas," said Dole.

The Meade Municipal Airport in Meade will receive \$106,650 to acquire land for future developments. The Strother Field in Winfield will receive \$595,773 for overlay and construction of lighting for a runway.

The grant was awarded under the FAA's Airport Improvement Program.
