\$100 MILLION IN ACCELERATED FARM PAYMENTS COMING TO KANSAS;
DEFICIENCY PAYMENTS MOVED UP, PLANTING FLEXIBILITY BOOSTED

WASHINGTON -- \$100 MILLION WORTH OF FEDERAL DEFICIENCY PAYMENTS WILL BE FLOWING TO KANSAS FARMERS SEVEN MONTHS EARLIER, BEGINNING IN DECEMBER, AS CONGRESS PUT THE FINAL STAMP OF APPROVAL ON FARM LEGISLATION BACKED BY SENATE REPUBLICAN LEADER BOB DOLE (R-KANSAS).

ACCORDING TO SENATOR DOLE, THE SENATE PACKAGE FIXING PROBLEMS IN THE 1990 FARM BILL ALSO AUTHORIZES GREATER PLANTING FLEXIBILITY FOR PRODUCERS ON FEED GRAIN BASE ACREAGE. THE DOLE-BACKED REFORM MEASURES WERE INCLUDED IN A COMPREHENSIVE TECHNICAL CORRECTIONS BILL THAT NOW AWAITS THE PRESIDENT'S SIGNATURE.

"FARMERS HAVE ENOUGH PROBLEMS BATTLING MOTHER NATURE, THEY SHOULDN'T HAVE TO BATTLE UNNECESSARY FEDERAL RED TAPE, TOO. I'M PLEASED THAT CONGRESS HAS FINALLY TAKEN THE NECESSARY STEPS TO MAKE THESE IMPORTANT FARM BILL CORRECTIONS A REALITY," SAID DOLE. THE HOUSE AND SENATE BOTH AGREED TO A FINAL VERSION OF THE BILL LATE TUESDAY NIGHT.

DEFICIENCY PAYMENTS

THE BILL INCLUDES A PROVISION PUSHED BY DOLE THAT WILL ALLOW WINTER WHEAT PRODUCERS TO RECEIVE THEIR FINAL DEFICIENCY PAYMENTS IN DECEMBER OF THIS YEAR RATHER THAN IN JULY, 1992.

THE PAYMENTS, HISTORICALLY PAID OUT IN DECEMBER, WERE MOVED TO JULY OF THE FOLLOWING YEAR AND CALCULATED DIFFERENTLY IN ORDER TO COMPLY WITH FEDERAL BUDGET LAW ENACTED LAST YEAR. BUT DOLE AND OTHER FARM STATE LAWMAKERS PUSHED FOR THE THE PROVISION WHICH WILL BOOST FARMERS' CASH FLOW DURING THE WINTER MONTHS.

FEED GRAIN FLEXIBILITY

ALSO ADOPTED WAS A PROVISION THAT RESTORES THE FLEXIBILITY FOR PRODUCERS TO INTERCHANGE PLANTINGS OF CORN AND GRAIN SORGHUM ON A FARM'S FEED GRAINS CROP ACREAGE BASE. BECAUSE OF A TECHNICAL DRAFTING ERROR IN THE 1990 FARM BILL, THE DEPARTMENT OF AGRICULTURE PLANNED TO ADOPT SEPARATE BASES FOR EACH INDIVIDUAL FEED GRAIN NEXT YEAR, WHICH WOULD HAVE PREVENTED FARMERS FROM ROTATING BETWEEN CROPS FOR AGRONOMIC AND WEATHER-RELATED REASONS. THE CHANGE, WHICH DOLE INTRODUCED AS LEGISLATION IN JANUARY, RESTORES THE LAW ESTABLISHED BY THE 1985 FARM BILL.

"ACCORDING TO USDA PROJECTIONS, THE CHANGE IN WHEAT DEFICIENCY PAYMENTS WILL PUT AN EXTRA \$100 MILLION IN FARMERS POCKETS IN DECEMBER RATHER THAN IN JULY," DOLE CONTINUED. "AND THE FEED GRAINS BASE FIX GETS THE GOVERNMENT AND THE BUREAUCRATS OUT OF A FARMER'S BUSINESS, PUTTING THE DECISION MAKING BACK IN THE HANDS OF THE ONES WHO SHOULD BE MAKING THEM -- THE FARMER."
