SENATE COMMITTEE INCLUDES DOLE REQUEST FOR SANTA FE TRAIL

WASHINGTON - Kansas Senator Bob Dole announced today that the Senate Appropriations Committee has approved his request of \$150,000 to continue development of the Santa Fe Trail National Historic Trail. The committee included the funding in the Department of Interior Appropriations bill for the coming fiscal year. The measure now goes to the full Senate for approval.

"The committee's approval is the first step in acquiring full Congressional support for the Santa Fe Trail. This funding would enable the Santa Fe office to hire additional personnel to continue developing the Trail. By making more people aware of the Trail's historic importance, we will increase the number of visitors at Fort Larned, Council Grove, Dodge City and other major Trail sites in Kansas," Dole said.

"With tight budget constraints this year, I'm pleased that the committee included Santa Fe as one of its priority projects. The Santa Fe Trail is a proud part of Kansas' heritage and it's important to preserve and highlight this historic route," said Dole.
