JOAN FINNEY

Washington -- Senate Republican Leader Bob Dole issued the following statement following the announcement by Kansas Governor Joan Finney that she will not be seeking re-election:

Joan Finney is good long-time friend. We've worked closely together on a number of important issues for Kansans over the years while she has been Governor. Governor Finney and I have been able to put aside party differences in many instances in order to do what is right for our state. I believe she's done a good job, and I wish her the very best.
