DOLE REQUEST FOR SALINA NATIONAL GUARD ACADEMY
PROJECT OKAYED BY SENATE

WASHINGTON - Kansas Senator Bob Dole announced today that the U.S. Senate has approved his request for a National Guard Academy at Nickell Barracks in Salina. The Senate included the Dole request in the Military Construction bill for the coming fiscal year. The measure now goes to a joint House\Senate conference committee before final passage by both Houses.

The Senate included \$9.83 million in the bill for the National Guard Academy.

"I am pleased that my Senate colleagues joined me in support of this important Kansas project," said Dole. "Upon completion, these barracks will provide classrooms, administration facilities and barracks for Guard men and women from across the nation who will attend this new training academy," said Dole.
