DOLE PRAISES NOMINATION OF FORMER KANSAS GOVERNOR JOHN CARLIN TO BE U.S. ARCHIVIST

WASHINGTON -- Senate Majority Leader Bob Dole (R-Kansas) today issued the following statement regarding President Clinton's nomination of John Carlin to be Archivist of the United States:

"The President has made an outstanding choice. I have known John Carlin for many years, and can say without reservation that he is the right person to provide the National Archives and Records Administration with the new leadership it needs at this time.

"I believe John's qualifications for this position are beyond question. He is a skilled manager, an effective leader, and has a wealth of first hand experience in the preservation of government records.

"Kansans will also remember that John's leadership as a state legislator and a Governor was instrumental in the construction of our state-of-the-art Kansas Museum of History.

"I met with John earlier this week, and indicated that I would do all I can to move this nomination through the Senate as expeditiously as possible."
