YOUTH GOVERNORS' CONFERENCE

The Honorable Robert Dole
United States Senator
141 Hart Senate Office Building
Washington, D.C. 20510

Dear Senator Dole:

This is a cordial invitation for you to address the 1988 National YMCA Youth Governors' Conference during the week of June 27, 1988. The National YMCA Youth Governors' Conference brings together approximately 40 outstanding high school juniors and seniors who have been elected by their peers as youth governors or chief justices in the Youth and Government programs in their respective states. The six day conference has been held annually in Washington, D.C., since 1962, and it seeks to provide a quality learning experience for participants including a broad exposure to national government and the crucial issues facing society.

The national planning committee which is responsible for the planning and operation of the Youth Governors' Conference has selected "The Presidency" as a topic for this year's event. Your insights on the Presidential campaign would be enlightening to all the participants. The format is flexible, but we envision a 30 to 45 minute session, consisting of a presentation followed by questions from the youth participants.

Even though the demands on your time are great, it is hoped that you can join us the week of June 27. Our preference would be Monday, June 27, but we would be pleased to have you participate at your convenience. The Youth Governors have met with every President since John F. Kennedy as well as key members of Congress, the Supreme Court and the Administration. Your comments on this important topic would be a major contribution to the 1988 program. Please feel free to have your staff contact Judith L. Weddle, Conference Director, at the YMCA of Metropolitan Washington (797-4484), or me at 224-4814. We look forward to hearing from you.

Sincerely,

NATIONAL YMCA YOUTH GOVERNORS' CONFERENCE

June 3, 1988

Dear Youth Governors,

On behalf of the National Planning Committee, I am happy to extend our greetings to you. Having participated in the 1980 conference, I am sure that you will leave Washington with a better understanding of how our federal government works.

As you are aware, much work is involved in coordinating a conference of this magnitude. I would like to thank everyone involved, from the Readers Digest Foundation for its generous funding support, to the Grand Hyatt Hotel of Washington, D.C. for the excellent conference accommodations.

Special thanks go to the Staff and Planning Committee for their many hours of dedicated service. Without them, we would not have the excellent program we have planned for you.

Enjoy the week, learn, and become better acquainted with the workings of our government. Leave this conference with the desire to participate in our democratic process. You can truly make a difference.

Best regards,

William P. Danielczyk (IL'80)
