

July 13, 1992

KANSAS FOLLOW-UP

JULY 10-11, 1992

Marcie

1. Call the Mayors of Clyde, Glasco, Aurora, Belleville, Washington, and Linn to check on storm damages. Called all 6 on Friday, July 10. The heart of the storm skirted most of them. Linn sustained damages to 10 homes and a large church. They were pleased to hear from us.
2. Secure "clam shell" fork lift loader from Ft. Riley for Concordia. Called Army & Kansas Air National Guard on Friday. (Earlier, Dan had called the Adjutant General to put them on alert.) Salina Air National Guard has detailed 6 dump trucks & 2 front end loaders to Concordia for several days. City Manager Richard Neinstedt reports that they are progressing on the clean up and are grateful to you for the help.
3. John Egan, Salina, needs a voice synthesizer. Has ALS, lives by himself at home, unable to speak. On Friday, called his pharmacist for details & called Blue Cross/Blue Shield/Medicare. There are 2 voice assistance mechanisms approved as speech aids. However, this computer keyboard with a machine voice has not been approved. Initial cost is \$4,000 with add ons of \$1400 & \$1795. (The pharmacist advises that the family is in a position to cover this, if necessary.) State Medicare headquarters is reviewing the aide to determine whether this is a covered item. Medicare will call his daughter in KC. I will call the ARC representative in Salina, Dorothy Hutchinson.
4. Call Gloria for Joyce & Everett's address
5. Senator would like update on funding on Deines Culture Center in Russell, Ks.

Bret Fox

1. Letter from Milt Morrison Re: USDA dumping 41 million # of butter in KC.

Dan/Greg/Marcie

1. Letter re: EPSCOR. This grant program is multi-departments with both K-State & KU plus other universities applying to several agencies & departments. We've worked on several related programs. Need to determine which university and

which department. Will confer.

MIKE

1. Send campaign buttons, bumper stickers etc. to Kenny
2. Mike to call Bill Lacy and follow up regarding campaign assistance for Eugene Davidson
3. Obtain telephone for use by Dave Spears.

Vicki

1. Call Milton Lyon (316-665-5409) regarding COBRA plan

WALT

1. Please send Random House reprints from Kramer book to Mike Glassner

MEMORANDUM
July 8, 1992

TO: SENATOR/JOYCE/YVONNE

From: Judy

Re: Options for Friday afternoon

The meeting with Kim Wells, Bud Burke and R.H. Miller will not work as Kim is out of town this week.

In Wyandotte and Johnson Counties there are 5 Senate candidates and 9 House candidates without primaries. We could try to get them all together in Wyandotte or Johnson County for lunch, followed by photo-ops.

12:30 p.m. LUNCH - House and Senate Candidates
to somewhere in Wyandotte or Johnson County.
1:30 p.m.

1:30 p.m. Photo-op - Have lunch at some location where
to there is a room or appropriate location for
2:00 p.m. pictures.

YES ___ NO ___

2:15 p.m. Lv. Kansas City Area for Topeka

2:45 p.m. TOPEKA Meet with Shawnee County candidates
to 2 Senate candidates and 5 House candidates
3:30 p.m. without primaries, for brief visit and
photo-op.

YES ___ NO ___

~~**At 5:00 p.m., the Shawnee County Republicans will be having this monthly Trunk-N-Tusk Social and annual Republican auction at the Vintage Restaurant. The average attendance at Trunk-N-Tusk is usually about 25 -- the auction may draw a few more and if word got out that you would be attending I'm sure there would be more. Another attraction for this event is that the Vintage is extremely busy on Friday evening, beginning right after work. It is probably one of the most popular spots in Topeka for business people to frequent right after work. I don't know~~

Handwritten notes:
Lunch
Photo-op
Topeka
Auction

that it is worth waiting around for, but wanted you to be aware of it.

5:00 p.m. TOPEKA - Trunk-N-Tusk

YES ___

NO

Another suggestion from Mike would be the following.

3:45 p.m. Lv. Topeka for Mankato

4:30 p.m. Ar. Mankato - Drive to Jewell
(15 Miles)

5:00 p.m. JEWELL - Community event focused on their
to new storm siren -- they had a storm last
5:45 p.m. night with 80-100 mile an hour winds and
their siren worked.

YES ___

NO

6:00 p.m. Lv. Mankato for Russell

6:30 P.M. Ar. Russell

If you choose to do the meetings with the candidates,
the Party will be making the calls issuing the invitations.

SENATOR/JOYCE

So far I have only come up with one event for Saturday morning. I have a feeling that whatever else I might find, if anything, it would be the same type of event. Would just be something to walk through and visit, but an opportunity to see a lot of people.

MEMORANDUM
June 24, 1992

TO: SENATOR/JOYCE

From: Judy

Re: Previous memo - invitation to speak at the Brown Mackie College commencement - Saturday, July 11, in Salina, or Sunday, July 12, in Kansas City.

You may recall my memo of May 29, advising you of this invitation, giving you the first option on which day you chose to speak, and also advising you that they had invited Elizabeth to speak at the other one. Gary Talley, President of Brown Mackie, called me yesterday and advised that Elizabeth had declined, but they are still hopeful you can accept.

They would prefer you speak in Salina on Saturday, July 11, as they will be memorializing one of their most distinguished alumnus, Dean Evans. They are also celebrating their centennial year. Because of your long friendship with Dean, they would particularly like to have you participate. However, if Sunday, July 12 would be better for you, that would be fine with them.

Obviously, they need an answer right away, as the commencements are just a little over two weeks away. Please advise.

BROWN-MACKIE COMMENCEMENT - SALINA - SATURDAY, JULY 11

TIME: 2:00 p.m. (Complete program - 45 minutes)

ATTENDANCE: 500-600

YES NO

BROWN-MACKIE COMMENCEMENT - KANSAS CITY - SUNDAY, JULY 12

TIME: 2:30 P.M. (Complete program - 45 minutes)

NEWS

U. S. SENATOR FOR KANSAS

FROM:

SENATE REPUBLICAN LEADER

FOR IMMEDIATE RELEASE
JULY 11, 1992

CONTACT: WALT RIKER
(202) 224-5358

COMMENCEMENT REMARKS OF SENATOR BOB DOLE
BROWN-MACKIE COLLEGE
SALINA, KANSAS

THANK YOU. IT'S A PRIVILEGE TO BE HERE ON THIS VERY SPECIAL AFTERNOON. TODAY WE CELEBRATE NOT JUST THE ACHIEVEMENTS OF THE GRADUATES, BUT WE ALSO CELEBRATE THE CENTENNIAL ANNIVERSARY OF BROWN-MACKIE COLLEGE.

THE WORLD AND KANSAS HAVE TURNED OVER MANY TIMES IN THE PAST CENTURY, BUT ONE THING HAS REMAINED THE SAME: THE FACT THAT THE GRADUATES AND FRIENDS OF BROWN-MACKIE HAVE PLAYED AN IMPORTANT ROLE IN COMMUNITIES ACROSS OUR STATE AND BEYOND.

HONORING DEAN EVANS

AND, CERTAINLY, BROWN-MACKIE, THE CITY OF SALINA, AND I SUSPECT MANY HERE IN THE AUDIENCE, COULD NOT HAVE FOUND A BETTER FRIEND THAN DEAN EVANS. AND IT'S VERY FITTING THAT YOU HONOR DEAN TODAY WITH THE CREATION OF A SCHOLARSHIP IN HIS NAME.

DEAN HAS LEFT A PERMANENT IMPRINT ON SALINA AND ON KANSAS WITH HIS COMMITMENT TO THE WELL BEING OF THE MANY INDIVIDUALS TO WHOM HE WAS DEEPLY COMMITTED TO HELPING AND TO THE MANY PROGRAMS IN WHICH HE BELIEVED. I JOIN YOU IN HONORING HIS LEGACY WITH A GREAT DEAL OF RESPECT AND APPRECIATION.

I KNOW HOW MUCH DEAN WOULD HAVE ENJOYED TODAY'S CEREMONY, AND HE WOULD HAVE RECOGNIZED THE TRUE HISTORIC NATURE OF THIS GRADUATING CLASS. YOU ARE HISTORIC BECAUSE YOU ARE THE FIRST GRADUATING CLASS OF THE POST COLD-WAR ERA.

THE CHANGING WORLD

THE WORLD YOU FACE IS NOT ONLY VASTLY DIFFERENT THAN THE WORLD OF YOUR PARENTS AND GRANDPARENTS. IT IS ALSO VASTLY DIFFERENT FROM THE WORLD WHICH GREETED THE GRADUATING CLASSES OF 1990 AND 1991.

IN INTERNATIONAL TERMS, MORE HAS HAPPENED IN THE STILL YOUNG DECADE OF THE 1990'S THAN HAPPENED IN THE PREVIOUS HALF CENTURY.

ALL THAT CHANGE BRINGS EXCITEMENT, TO BE SURE, BUT IT ALSO PRODUCES UNCERTAINTY AND EVEN ANXIETY. HERE AT HOME, THAT SHOWS UP IN MANY WAYS. WE SEE IT IN THE POLLS, RECORDING UNPRECEDENTED PESSIMISM ABOUT THE STATE OF OUR NATION. WE SEE IT IN THE POPULARITY OF POLITICAL CANDIDATES REPRESENTING SOMETHING-- ANYTHING-- OTHER THAN THE STATUS QUO.

REJECT "SIREN SONG OF ISOLATIONISM"

REGRETTABLY, SOME ALSO SEE THE CHANGES BROUGHT BY THE END OF THE COLD WAR AS AN INVITATION FOR AMERICA TO RETREAT FROM THE ROLE OF WORLD LEADER THAT WE HAVE PLAYED.

INDEED, AFTER DECADES OF MULTIBILLION DOLLAR DEFENSE BUDGETS; WITH THE IMMEDIATE MILITARY THREAT TO AMERICA SEEMING TO FADE AWAY; AND IN THE FACE OF OUR SERIOUS DOMESTIC PROBLEMS -- THE SIREN SONG OF ISOLATIONISM SOUNDS OH-SO-SWEET TO MANY, MANY AMERICANS.

LET'S FACE IT. WE ALL GET FED UP WHEN WE HEAR SOME FOREIGNER BAD-MOUTHING AMERICA. WE ALL GET FRUSTRATED WHEN SO-CALLED ALLIES AND FRIENDS -- ON WHOSE DEFENSE WE HAVE SPENT BILLIONS OF DOLLARS -- TURN AROUND AND TREAT US UNFAIRLY ON TRADE AND OTHER MATTERS. WE ALL SOMETIMES LOOK AROUND AND SAY: HEY, WE'RE THE MOST POWERFUL, RICHEST COUNTRY ON EARTH, AND WE DON'T NEED ANYONE ELSE -- WE CAN MAKE IT ON OUR OWN. BUT BUILDING A WALL AROUND AMERICA, AND PULLING BACK FROM OUR LEADERSHIP ROLE IN THE WORLD, IS NOT THE ANSWER TO ANYTHING.

IT'S A SHORT-TERM, "FEEL GOOD" REACTION, FOR WHICH AMERICA AND AMERICANS, IN THE LONG RUN, WILL PAY DEARLY.

WE'VE MADE THE MISTAKE OF ISOLATIONISM BEFORE. YOU'VE STUDIED IT IN YOUR HISTORY CLASSES. ONE OF THE MOST IMPORTANT REASONS WE HAD TO FIGHT WORLD WAR II WAS BECAUSE THE UNITED STATES, DURING THE 1920'S AND 1930'S, TRIED TO TAKE A "HOLIDAY"

FROM THE REST OF THE WORLD. WHILE NAZI GERMANY WAS BEING BORN, AND JAPAN WAS RE-ARMING, WE SAT BACK AND TRIED TO PRETEND IT WAS NONE OF OUR BUSINESS.

BUT STARTING IN 1941 IT BECAME VERY SERIOUS BUSINESS, INDEED, FOR THE UNITED STATES OF AMERICA. OUR ISOLATIONISM WAS A TRAGIC MISTAKE, AND MANY OF YOUR PARENTS AND GRANDPARENTS CARRY THE SCARS OF THAT MISTAKE TO THIS DAY.

THE FRUITS OF THE COLD WAR VICTORY

THE FACT IS, THE COLD WAR IS OVER -- AND IT ENDED IN A GREAT VICTORY -- BECAUSE AMERICA LEARNED FROM THE MISTAKE; BECAUSE AMERICA, FOR NEARLY A HALF CENTURY, WAS WILLING TO DEFEND FREEDOM WHEN IT WAS SERIOUSLY THREATENED. BECAUSE WE AMERICANS WERE WILLING, IN THE WORDS OF PRESIDENT KENNEDY, TO "PAY ANY PRICE, BEAR ANY BURDEN, ENDURE ANY HARDSHIP, ... TO INSURE THE SURVIVAL AND THE SUCCESS OF LIBERTY."

SO WE WON THE COLD WAR, AND NOW WE CAN ENJOY SOME OF THE FRUITS OF THAT SUCCESS. WE CAN ASK OTHERS -- OUR ALLIES -- TO BEAR A HIGHER PORTION OF THE COST OF KEEPING INTERNATIONAL ORDER. WE CAN PAY MORE ATTENTION, AND DEVOTE MORE RESOURCES, TO PROBLEMS HERE AT HOME.

BUT WE CANNOT AFFORD TO LAY DOWN THE MANTLE OF WORLD LEADERSHIP. WE CANNOT ONCE AGAIN STICK OUR HEADS IN THE SAND, AND LET HISTORY PASS US BY.

TOO MUCH IS AT STAKE. OUR OWN SECURITY, OUR OWN PROSPERITY.

LIKE IT OR NOT, THE WORLD IS A LOT SMALLER THAN IT USED TO BE, MILITARILY, POLITICALLY AND ENVIRONMENTALLY. THANK GOD, IT ALSO HAPPENS TO BE A BIT SAFER THAN IT USED TO BE. THANKS TO THE COLLAPSE OF COMMUNISM, THE DEFEAT OF SADDAM HUSSEIN, AND THE BEGINNINGS OF WHAT IS NOW BEING CALLED THE "NEW WORLD ORDER."

DANGEROUS UNCERTAINTIES REMAIN

BUT WE CAN'T AFFORD TO KID OURSELVES. THE WORLD CAN STILL BE A DIFFICULT AND DANGEROUS PLACE.

WE DON'T KNOW WHEN THE NEXT "SADDAM HUSSEIN" WILL POP UP, TO THREATEN BOTH HIS NEIGHBORS AND THE PEACE OF THE WORLD. WE DON'T KNOW JUST YET WHOSE FINGERS, AND EXACTLY HOW MANY FINGERS, STAND POISED OVER THE NUCLEAR BUTTONS WHICH CONTROL ALL OF THOSE THOUSANDS OF WARHEADS WHICH STILL EXIST, ARMED AND AIMED, IN THE FORMER SOVIET UNION. WE DON'T KNOW FOR SURE JUST WHICH IRRESPONSIBLE NATIONS AND RAPACIOUS ARMS MERCHANTS ARE OUT THERE RIGHT NOW, PEDDLING THE TECHNOLOGY AND HARDWARE OF MASS DESTRUCTION TO ANYONE WHO CAN PAY THE PRICE.

BUT IT'S NOT ONLY IN THE MILITARY AND POLITICAL FIELD WHERE AMERICA STILL FACES REAL DANGERS AND GRAPPLES WITH SERIOUS PROBLEMS. THE CONNECTION BETWEEN AMERICA'S WELL-BEING AND GLOBAL DEVELOPMENTS AND EVENTS IS JUST AS STRONG IN TERMS OF OUR ECONOMY.

AMERICA & THE GLOBAL ECONOMY

WE HAVE TO FACE UP TO SOME TOUGH FACTS. FOREIGN MONEY IS CRUCIAL TO FINANCING OUR HUGE DEFICITS. FOREIGN MARKETS ARE CRITICAL TO KEEPING OUR INDUSTRIAL AND AGRICULTURAL SECTORS STRONG. FOREIGN TECHNOLOGY IS INCREASINGLY IMPORTANT TO HELPING US TO KEEP A COMPETITIVE EDGE.

THE FACT IS, AMERICA HAS NEVER HAD A GREATER STAKE IN HELPING TO SHARE AND MANAGE EVENTS AROUND THE WORLD THAN WE HAVE TODAY. THE RESOURCES WE COMMIT TO ADVANCING AMERICA'S GOALS AND INTERESTS OVERSEAS CAN BE THE BEST INVESTMENT WE MAKE IN THE SECURITY AND WELL-BEING OF THE UNITED STATES OF AMERICA.

YELTSIN FOUND "REAL AMERICA" IN KANSAS

THREE WEEKS AGO, I HAD THE HONOR OF HOSTING RUSSIAN PRESIDENT BORIS YELTSIN ON HIS HISTORIC VISIT TO KANSAS. I THINK EVERYONE WHO HAD THE CHANCE TO PARTICIPATE IN THE VISIT WOULD AGREE -- IT WAS QUITE A SHOW!

BUT IT WAS MORE THAN JUST A SHOW. IT WAS A CHANCE FOR PRESIDENT YELTSIN TO SEE THE "REAL AMERICA." IT WAS A CHANCE FOR HIM TO UNDERSTAND WHAT REALLY MAKES THIS A GREAT NATION. NOT OUR MILITARY FORCE, OR OUR BIG CITIES, OR OUR HUGE INDUSTRIAL FACILITIES. WHAT MAKES THIS COUNTRY GREAT IS OUR PEOPLE AND OUR DEMOCRATIC AND FREE MARKET WAY OF LIFE.

PRESIDENT YELTSIN SAW JUST THAT IN KANSAS. HE SAW, AND HE UNDERSTOOD.

AND HE WANTS FOR HIS PEOPLE WHAT THIS GREAT NATION PROVIDES FOR PEOPLE: SECURITY, JUSTICE, OPPORTUNITY, AND HOPE. AND HE WANTS OUR HELP IN ACHIEVING THOSE GREAT GOALS. HE MADE THAT CLEAR IN KANSAS, AND IN WASHINGTON, AND AGAIN THIS PAST WEEK AT THE ECONOMIC SUMMIT.

AMERICAN AID: INVESTING IN OUR FUTURE

NOW SOME WILL SAY: WHY SHOULD WE HELP? WHY SHOULD WE SPEND MONEY TO HELP RUSSIANS AND OTHERS IN THE FORMER SOVIET UNION WHEN SO MANY AMERICANS ARE STILL IN NEED?

WELL, I DON'T SEE SENSIBLE PROGRAMS OF AMERICAN AID AS JUST SOME KIND OF GIVE-AWAY TO HELP FACELESS FOREIGNERS. I SEE IT AS THE EXACT KIND OF INVESTMENT IN AMERICA'S OWN FUTURE THAT I JUST TALKED ABOUT. AND PRESIDENT YELTSIN MADE IT CLEAR TO KANSAS AUDIENCES AGAIN AND AGAIN: HE DOESN'T SEE IT AS JUST A GIVE-AWAY EITHER, BUT AS THE BEGINNING OF A WHOLE NEW KIND OF COOPERATIVE, MUTUALLY BENEFICIAL RELATIONSHIP ACROSS THE BOARD -- STRATEGICALLY, POLITICALLY AND ECONOMICALLY.

IF DEMOCRACY FAILS IN THE FORMER SOVIET UNION, WHO KNOWS WHAT WILL FOLLOW. WHO KNOWS WHOSE FINGERS WILL FINALLY END UP ON THOSE NUCLEAR BUTTONS IN MOSCOW, KIEV, OR KAZAKHSTAN.

IF FREE MARKETS ARE ALLOWED TO FAIL IN THE FORMER SOVIET UNION, IT WILL NOT ONLY BE THE PEOPLE OF THOSE NEW DEMOCRACIES WHO WILL SUFFER. AMERICANS WILL BE THE LOSERS, TOO. WE WILL LOSE VAST NEW MARKETS FOR OUR PRODUCTS -- MARKETS WHICH, ALREADY ARE VITAL TO THE HEALTH OF THE KANSAS FARM ECONOMY. WE WILL LOST A VAST NEW ARENA FOR LUCRATIVE INVESTMENT.

OF COURSE, WE HAVE TO KEEP OUR EYE ON THE BALL. THROWING MONEY AT MOSCOW WILL NOT SOLVE MOSCOW'S PROBLEMS, ANYMORE THAN THROWING MONEY AT OUR CITIES, SUBURBS AND FARMS WILL SOLVE OUR PROBLEMS.

BUT WE CAN HELP RUSSIA AND THE OTHER REPUBLICS IN WAYS THAT WE CAN AFFORD AND THAT MAKE SENSE. THE WEEK BEFORE LAST, WE PASSED A BILL ON AID, TRADE AND INVESTMENT FOR THE FORMER SOVIET UNION THAT MAKES REAL SENSE -- COMMON SENSE; DOLLARS AND CENTS. IT PROVIDES WELL-FOCUSED PROGRAMS OF CREDIT, CREDIT GUARANTEES AND TECHNICAL ASSISTANCE; AND ENCOURAGES AND PROVIDES INCENTIVES FOR PRIVATE SECTOR INVESTMENT AND TRADE THAT WILL MAKE A REAL, LONG-TERM DIFFERENCE IN THE FORMER SOVIET UNION.

THAT'S THE WAY TO GO, TO HELP RUSSIA AND THE OTHER FLEDGLING DEMOCRACIES; TO PRESERVE AMERICA'S LEADERSHIP ROLE IN THE WORLD; AND TO ADVANCE THE LONG-TERM INTERESTS OF OUR OWN NATION AND PEOPLE.

GREATER DAYS LIE AHEAD

LADIES AND GENTLEMEN, DISTINGUISHED GUESTS, AND GRADUATES: THIS NATION HAS A GREAT HISTORY, AND NO TIME IN THAT HISTORY HAS BEEN MORE IMPORTANT AND EXCITING THAN THE TIME IN WHICH WE ALL LIVE. BUT AMERICA'S GREATEST DAYS STILL LIE AHEAD.

SO ENJOY THIS ONE SPECIAL DAY IN YOUR LIVES -- ENJOY EVERY MINUTE OF IT. AND THEN GO OUT AND TAKE FULL ADVANTAGE OF THE EVEN GREATER DAYS THAT LIE AHEAD, FOR YOU AS INDIVIDUALS, AND FOR THE UNITED STATES OF AMERICA.

VOTE
LaMunyon
for Congress

Anybody else is part of the problem.

P.O. Box 3377 • Wichita, KS 67201-3377
(316) 269-4455

The #1 issue is term limitation.

Richard LaMunyon is running for office to return power to the people of the 4th District. To win, he must defeat two sitting United States Congressmen and a State Senator. Richard has never sought or held political office.

Richard believes professional politicians are sucking the lifeblood out of this country. He feels they are over paid and over perked. He thinks they are more interested in their careers than they are the people they serve.

Richard is committed to term limitation; he feels members of Congress should serve no more than three terms. Richard believes the federal deficit threatens our country's long term security. Other key issues are reducing the tax bite, affordable health care, and fighting crime.

Richard is qualified.

Richard is currently executive director for Wichita Greyhound Charities, Inc., the non-profit organization that holds the license for Wichita Greyhound Park. He served as Wichita Police Chief for 12 years, administering a \$28 million budget and a department of 650 persons.

He has a bachelor's of science degree and a master's of Administration of Justice from The Wichita State University. He is honorably discharged from the United States Navy. In 1981, he founded the Torch Run for Special Olympics. It has become the largest sustained fund raising project in the 25-year history of Special Olympics, spreading to all 50 states and more than a dozen countries raising nearly \$20 million.

*Paid for by the LaMunyon for Congress Committee,
Al Timmesch, Treasurer*

Yes, I want Richard LaMunyon in Washington working for the best interest of the 4th District.

I'll help by donating time to Richard's campaign: (circle) writing letters, making phone calls, working in the office, walking my block, placing a sign in my yard.

I'd like to donate money to Richard's campaign (circle) my check is enclosed (or) please call on me.

I'll help elect Richard and ask my friends to vote too.

The Brown Mackie College

Commencement Program

A Message From the President

On behalf of everyone at The Brown Mackie College, I extend a gracious welcome to you—the families and friends of our 1991-92 graduating class.

We pay special tribute to the parents, grandparents, and families who have given such vital support to these outstanding graduates. To our graduates, this is indeed a special date which you have sought diligently. This day is set aside in your honor.

Let it be your first step towards life's ambitions. Go forth and do good deeds. Represent yourself, your family, and your college well. We share the pride that you feel today.

Best wishes for your future.

Most sincerely,

M. Gary Talley

SAMUEL DEAN EVANS SR.

1920-1991

Mr. S. Dean Evans Sr. is honored today as one of The Brown Mackie College's most distinguished alumnus and mentor. Mr. Evans served on The Brown Mackie College Advisory Council throughout the years. He was a recipient of The Brown Mackie College Entrepreneurship Excellence Award.

Mr. Evans formed Evans Grain Company in 1954 and served as senior partner. Mr. Evans was active in many endeavors and touched many people's lives. His involvement, directly or indirectly, in education, civic organizations, government, sports, the grain industry, church, and others, benefited many in the Salina community. The recently dedicated Dean Evans Stadium is a tribute to his support and dedication.

The Brown Mackie College is proud to announce the creation of the S. Dean Evans Sr. Scholarship and honored to name Mr. Evans to The Brown Mackie College Hall of Fame.

JULY 9, 1992

TO: SENATOR DOLE
FROM: DAN STANLEY
SUBJECT: K STATE - SALINA AVIATION PROGRAM

DoD will send a letter to each of the colleges and universities specified in last year's defense appropriations bill. The letter will ask K State to submit a formal proposal and demonstrate that the \$7.7 million serves the mission of the Department of Defense. I have discussed this with K State officials and they are preparing to respond.

Your letter to Cheney notes that this test has already been met -- at least with respect to the Congress. Still, I anticipate that Cheney will require this documentation from everyone anyway (maybe he will scare some of them off).

As far as timing is concerned, this thing could be dragged out over the rest of the summer. K State wants to get going so they can start classes this fall. In addition, they have some pending contracts to begin international pilot training that cannot be executed without this equipment. They were warned not to bet on the come. I give this 70%-30% chances for coming through.

07/11/92 - Salina:

Of course, Senator Ben Vidricksen is the state senator from Salina. He has served since 1979. Senator Vidricksen does not have primary opposition, but faces a tough general election challenge from a Mr. Vern Silvers, Democrat candidate from Salina. Mr. Silvers is an engineer with Phillips Lighting and has been recruited by the Democrat Machine in Topeka. Ben Vidricksen has done the following for Salina: Has been active in job creation and economic development; has helped bring the Highway Program to the Salina/Ellsworth area; has helped bring the Kansas State School of Technology to Salina; and has helped bring a tourism information center to Salina. Senator Vidricksen will have a very difficult race in the general election.

**BROWN MACKIE COLLEGE GRADUATION
HELD AT SALINA'S BICENTENNIAL CENTER
JULY 11TH (SATURDAY, 1:45 PM)
PREPARED BY DAVID WILSON**

SEQUENCE OF EVENTS:

- o MIX AND MINGLE WILL PRECEDE GRADUATION (1:45 TO 2:00)
VIP ROOM, WHICH ADJOINS THE MAIN ROOM.

- o COMMENCEMENT CEREMONY (45 MINUTES - 1 HOUR). Starts at 2:00.
 - 1) PROCESSIONAL OF STUDENTS AND FACULTY.
 - 2) GARY TALLEY, SCHOOL PRESIDENT AND MC, WILL INTRODUCE YOU.
 - 3) YOU WILL GIVE YOUR 10 MINUTE SPEECH.
 - 4) SCHOOL HONORS DEAN EVANS.
 - 5) CLASS RECEIVES DIPLOMAS AND IS DISMISSED.

BACKGROUND INFO ON CEREMONY:

4 PEOPLE WILL BE SITTING WITH YOU ON THE STAGE

GARY TALLEY, SCHOOL PRESIDENT

GORDON AHLSTEDT, SCHOOL DIRECTOR

ROBERT VEACH, DEAN OF STUDENTS

REVEREND GENE HUSKY (BAPTIST), HE WILL LEAD PRAYER

* SITTING BEHIND YOU WILL BE APPROX. 10 FACULTY MEMBERS

EXPECTED CROWD SIZE: 400-500

SIZE OF GRADUATING CLASS: 109

GRADUATION RECEPTION WILL FOLLOW CEREMONY

GARY TALLEY HAS INVITED SEVERAL SALINA COMMUNITY MEMBERS TO ATTEND:

DEAN EVAN'S FAMILY (SAM, TERRY, AND MARY ELLEN RAY), KAYWOODS,
MORRISONS, NORTONS, GRAVES, CLAY EDMONDS (RUNS ASBURY HOSPITAL), RANDY
DUNCUM, GEORGE FRISBEE, MAX REDDIN, MR. SCHWAN (TONY'S PIZZA), ADLIE
JOHNSON, HAROLD BEGGS (MAYOR), MARSHALL STANTON, LOWELL SCHOTTENKIRK,
AND KEITH DUCKERS.

SPECIFIC TO BROWN MACKIE:

- o THIS IS THE SCHOOL'S 100TH YEAR.
- o THE SCHOOL ORIGINS TRACE BACK TO KANSAS WESLEYAN, WHERE THE
COLLEGE WAS A BUSINESS SCHOOL.
- o 30,000 ALUM
- o 98% PLACEMENT RATE MAKES SCHOOL ONE OF BEST IN STATE AND NATION.
- o ONLY DEGREE GRANTING PROPRIETARY SCHOOL IN KANSAS. OTHER
PROPRIETARY SCHOOLS DO NOT HAVE AS STRINGENT COURSE WORK AND ONLY
AWARD "CERTIFICATES" OF COMPLETION, NOT DEGREES.
- o ONLY PROPRIETARY SCHOOL TO BE ACCREDITED BY THE BOARD OF REGENTS.

July 7, 1992

TO: Senator Dole
FROM: David Wilson
SUBJECT: Brown Mackie College

In the last four months, I have met twice with Gary Talley, President of Brown Mackie. He was interested in making a distinction within the Higher Education Act regarding proprietary schools, but he did not bring the subject up until after Senate consideration of the Act.

Essentially, Talley wanted preferential treatment for degree granting regionally accredited proprietary schools, as these schools have an average default rate of 14.6% (FY89 is the latest figure available). In comparison, proprietary schools as a whole have an average of 45%. However, not all schools included in Mr. Talley's proposed definition have acceptable default rates -- several exceed the 25% default rate that Congress established as a threshold for participation in Federal education assistance programs. Brown Mackie's rate is just under 20 percent.

Talley's interest in this subject is two-fold. First, Brown Mackie is the only such school in Kansas. Second, he is on the Board of Trustees for the group that represents these schools.

Talley's definition was not included in the Higher Education Act because the conferees felt that it conflicts with Congress's effort to crack down on schools with bad default rates. However, report language does recognize that this group, as a whole, is a safer bet than proprietary schools at large.

****Note**** In addition to meeting with myself, Talley has sat down with Jim Wholey and Sheila Burke. He has been difficult to help, as he has been unwilling to work with the staff. Given Talley's actions, Sheila said that we helped him as best we could.

AGRICULTURE BRIEFING POINTS

SALINA

WHEAT CONDITIONS

- **WHEAT IN SALINE COUNTY AVOIDED HAIL AND MOST WEATHER DAMAGE, BUT HAVE HAD SOME PROBLEMS WITH LEAF RUST AND CHEAT GRASS. YIELDS, ON AVERAGE, HAVE BEEN FAIRLY GOOD, RANGING FROM 10-70 BUSHELS PER ACRE. HARVEST IS BEGINNING TO BE WRAPPED UP.**

FALL CROP CONDITIONS

- **FALL CROPS ARE LOOKING GOOD. DEPLETED TOPSOIL MOISTURE IN THE SOUTHERN PART OF THE COUNTY STRESSED SOME CROPS EARLY, BUT RECENT RAINS HAVE BEEN A BIG HELP.**

WEATHER CONDITIONS

- **RAINFALL HAS BEEN VERY GOOD IN THE AREA, WITH NO SEVERE STORMS ADVERSELY AFFECTING HARVEST. RECEIVED AN INCH OF RAIN ON WEDNESDAY NIGHT, HELPING TO FILL STOCK PONDS IN THE AREA -- ALTHOUGH SOME CATTLEMEN ARE STILL HAULING WATER TO CATTLE.**

SALINA NEWS

- 0 CONSTRUCTION OF A "SAM'S CLUB WAREHOUSE" WAS APPROVED BY THE CITY COUNCIL THIS WEEK. WILL BE THE ANCHOR ON A \$9.5 MILLION DEVELOPMENT ON 44 ACRES ACROSS FROM THE PRESENT WAL-MART. RUSSELL JOHNSON, JUNCTION CITY, IS THE DEVELOPER.
- 0 REQUEST FOR EXPANSION OF A ZONING AREA BY 50 FEET TO ALLOW FOR A CONVENIENCE STORE AT 9TH & CRAWFORD, A COMMUNITY OF 50-60 YEAR OLD HOMES, BECAME VOLATILE. 500-600 RESIDENTS OBJECTED TO THE REQUEST FROM CHARLEY WALKER, LOCAL ENTREPRENEUR WHO OWNS BLUE BEACON INTERNATIONAL, ETC.
- 0 THE \$5 MILLION PROPOSAL TO BUY MARYMOUNT UNIVERSITY FOR \$1.6 MILLION AND CONVERT THE COMPLEX TO A KANSAS HIGHWAY PATROL TRAINING CENTER HAS BEEN APPROVED AT THE 3RD LEVEL. 1 MORE STEP TO GO - THE GOVERNOR MUST CALL TOGETHER THE STATE FINANCE COUNCIL.
- 0 K-STATE SALINA CONSTRUCTION PROGRAM IS MOVING NICELY. NORTH AND SOUTH ACCESS ROADS SHOULD BE COMPLETED BY LATE FALL. ENROLLMENT IS GROWING.
- 0 THE "IUE" UNION LOST AT PHILIPS LIGHTING BY 1 VOTE IN THEIR EFFORTS TO UNIONIZE. ARE DETERMINED TO MAKE HEADWAY IN TOWN. HAVE SET UP AN OFFICE AND ARE NOW AFTER THE 640 EMPLOYEES AT EXIDE.
- 0 BEECH AIRCRAFT IS UP TO 650 EMPLOYEES.
- TONY'S PIZZA HAS 1500. 15 OVER-NIGHT NATIONAL GUARDSMEN WERE RECENTLY TREATED FOR AN AMMONIA LEAK FROM A REFRIGERATION UNIT. INSTANCE IS CITED AS A VALID REASON FOR A \$9 MILLION PROPOSAL TO RELOCATE THE NATIONAL GUARD 2 BLOCKS NORTH.
- 0 KOCH AG DIVISION (FORMERLY EVANS GRAIN) IS MOVING 3-4 EXECUTIVES TO WICHITA. WAS EXPECTED.
- 0 VERN SILVERS (D), WHO IS RUNNING AGAINST BEN VIDRICKSEN, IS AN ENGINEER AT PHILIPS, MOTIVATIONAL SPEAKER, AND ON THE PITTSBURG STATE ADVISORY COMMITTEE. NOT ENVISIONED A THREAT TO BEN.
- 0 CITY COMMISSIONER - MAYOR CARROLL BEGGS IS IN A 3-WAY RACE FOR THE GOP NOMINATION FOR THE SEAT HELD BY STATE REPRESENTATIVE ELOISE LYNCH. SHE IS BEATABLE. CITY COMMISSIONER JOHN DEVINE (D), RUNNING AGAINST PAT ROBERTS, SWITCHED PARTIES TO RUN. PAT IS WELL LIKED.
- 0 KANSAS WESLEYAN'S ENROLLMENT IS STRONG. ENDOWMENTS ARE UP. THE CAMPUS IS SPRUCED UP. GOOD FISCAL MANAGEMENT HAS CLEANED UP THEIR DEBT.

SALINA

Tony's to find cause of gas leak

Wind direction worsened effect

By DAVID CLOUSTON
and CAROL LICHTI
Journal Staff Writers

A day after an anhydrous ammonia leak hurt 15 people, executives of Tony's Pizza Service promised Monday to do everything possible to ensure safety at the frozen pizza plant in south Salina.

The injuries, none of them serious, occurred when anhydrous ammonia leaked twice from the roof of the Tony's plant. The cause of the leaks was not revealed Monday.

"We're still investigating. We'll probably have details tomorrow," said Bob Beasley, manufacturing manager for Schwans Sales Enterprises, the parent company.

The leaks occurred from the plant's refrigeration system, which uses ammonia as a cooling element. The first leak, reported about 7 p.m., was in the form of a vapor cloud. The second, about an hour later, was in liquid form that, when exposed to air, created a cloud.

Fourteen of the 15 people injured were members of the Indiana National Guard, who were spending the night at Nickell Barracks just west of the Tony's plant. They all were treated at Salina's two hospitals for respiratory problems, headaches and abdominal pain. None were admitted.

The Guard personnel, numbering 110, were spending the night in Salina while en route back to Pueblo, Colo., after transporting ammunition from Pueblo to McAllister, Okla., said Capt. Sue Wong, public information officer of the 319th Transportation Brigade in Pueblo.

The barracks were evacuated after both leaks. The Guard members were able to return to the barracks late Sunday to spend the night, and they left on schedule Monday morning, Wong said.

All were reported to be in good condition, she said.

One Tony's worker was injured. That person, an employee of a security service employed by Tony's, was treated by emergency medical technicians at the plant. He was stationed outside the plant when the leaks occurred.

The plant was shut down for a four-day July 4 holiday weekend, Beasley said, and only about 15 to 20 people were inside. Those people included maintenance and fabrication team employees, as well as some outside contractors.

Because no employees were seriously hurt by the leak, the Occupational Health and Safety Administration will not investigate the leak, a spokeswoman with the Wichita office said Monday.

OSHA was notified of the leak, as were other state and local officials, Beasley said.

Odd wind no blessing

An unusual easterly, northeasterly wind of 17 mph that blew the ammonia away from the city might not have been much of a blessing, emergency officials said Monday.

The wind blew the ammonia west

Salina 7-7-92 p.1

continued...

RECORD

Tuesday, July 7, 1992 7

Leaks not new, worker says

► FROM PAGE 1

into the nearby barracks area, where the 110 Guard personnel were staying.

"We would normally not have an easterly wind," Salina Fire Chief Tom Girard said. "It's usually from the south or southwest, which meant it would have affected a larger area, but maybe not as many people."

Gail Aills, director of emergency management for Salina and Saline County, agreed.

"It was from an unusual direction, which was both a hindrance and a help," he said. "The wind was from a direction that carried it right over the barracks. If the wind had been from any other direction, it would not have hurt anyone."

He added, however, that the high wind speed caused the ammonia to dissipate quickly.

"If there had been less wind we would have had more of a problem with people," Aills said.

Aills, Girard and Salina Police Chief Jim Hill were pleased with how the situation was handled. Emergency personnel from those agencies worked with Tony's maintenance employees, who have expertise and special training, Girard said.

"We will go through a post-incident analysis," the fire chief said. "It's a critique to see if we can learn anything from the experience."

Aills, too, said "There was a real good response. I was well pleased with what I could see."

He said there were some communication problems, but such problems are hard to avoid when so many

agencies are involved in an incident.

City emergency personnel train for such mishaps, and Aills said that training was apparent.

"I'm sure that's why it did run as smoothly as it did," he said.

Ammonia is suffocating

Ammonia, chiefly used in refrigeration, is colorless, pungent and suffocating.

It's a familiar substance to officials, Aills said.

"Farmers fertilize fields with it all the time," he said. "It's not exotic."

The only way of dealing with an ammonia cloud, such as occurred in the first leak at Tony's, is to evacuate those in the wind's path, Aills said.

The second leak, in liquid form, was treated with water, which carried some of the ammonia to a drainage area near the plant. Such treatment with water is an accepted method, Aills said.

Ammonia is highly water soluble. When dissolved in water, it forms ammonium hydroxide.

As far as Girard and Aills could remember, this was the first time any significant release of ammonia had been reported in Salina.

"All the right circumstances came together to create that incident," Aills said.

Neither Girard nor Aills was sure of the amount of ammonia used in the Tony's refrigeration system.

But, Girard said, "It's a big freezing system."

Beasley declined to discuss the amount of ammonia at the plant.

The leak was the first of a signif-

icant nature to occur in his 14 years at Tony's, Beasley said.

Not the first leak?

Although it may have been the first significant leak, an employee of Tony's who contacted the Journal on Monday said it's not the first time employees have been exposed to the gas.

"They've had ammonia leaks several times the last seven years, off and on," said the employee, who asked not to be named.

Workers in the processing area have routinely complained about ammonia vapors from the nearby freezer room, and the fumes cause them to have headaches, the employee said.

In one instance, about seven years ago, a production line had to be shut down temporarily because of a leak; ill employees were taken outside to be revived, but supervisors had them return to work as soon as they felt better, said the employee.

"They just say it's ice buildup sometimes," said the employee. "You're told to keep your mouth shut and that's it. Maintenance tells you they can't smell anything and walk off. Or it takes them the whole evening to fix and in the meantime you have to work around the smell."

Replied Beasley: "Obviously, anonymous employees can say whatever they want to but we're very cautious with our ammonia. ... Any system can develop a pinhole leak. If you have ammonia, in time, you will experience that."
