The Honorable Robert Dole
United States Senate
Washington, DC 20510

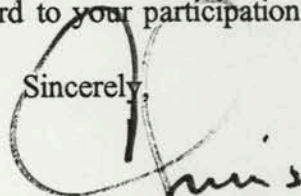

Dear Bob:

On Monday, May 24, I will welcome to Washington 150 business, academic and government leaders from Connecticut for a series of seminars on public policy. As you may recall, I have sponsored similar seminars since I came to the Senate in 1981.

As part of the two-day program, I would like to offer my constituents a chance to meet and listen to the leadership of the Senate. I would appreciate it greatly if you could join the seminar from 8:15 to 9:30 a.m. on Tuesday, May 25, 1993 in the Dirksen Auditorium, SDG-50, for a brief discussion on the state of affairs in the Senate. I am also inviting Senator Mitchell to speak.

The discussion will be informal -- a five-to-ten minute opening discussion, followed by a brief period for questions from the audience. The discussion will immediately follow a 8:00 a.m. breakfast, which you are welcome to attend.

I know that the demands on your time are heavy, but I would be delighted if you could find time in your schedule to take part in the program. I am confident that my constituents would be honored to hear you speak.

I am enclosing a copy of the agenda to give you an idea of the types of panels we have scheduled for this year's seminar. If you are able to participate, please call Patti Ogle at 224-2823. I will be in touch with you in the near future to answer any questions you may have and see if you can join us.

Sincerely,

CHRISTOPHER J. DODD
United States Senator

Bob - Hope you can join us.

Dear Senator:

I would truly be grateful if you would assist me with a very special request.

I sponsor a program called Congressional Classroom, involving one high school junior from each school in my Congressional district. This program was begun in 1978 by former Congressman Andy Ireland and my plan is to continue with it during my term as Florida's 13th District Representative.

This year's group of 14 students and their chaperons will spend the week of May 22-28 in Washington watching our government in action. One of the highlights would be the opportunity for them to meet with a number of Senators and Members of Congress. I would be honored to have you participate.

We are having a luncheon on the Senate side on Tuesday, May 25 in Room 385 of the Russell building. It would be great if you could plan on stopping by for about 15 minutes between noon and 2:00 pm that day. We would ask you to say a few words and then give the students the opportunity to ask you some questions. I know it would be an event they would never forget.

Tricia LaMorte of my staff will be in touch, but if you have any questions in the meantime, please don't hesitate to call me.

Kind regards.

Sincerely,
