## Talking Points

The Honorable Bob Dole, U.S.S.  
Fundraiser for Frank Lucas  
Republican Nominee for the U.S. House of Representatives  
Representing the Sixth District of Oklahoma  
Oklahoma City, Oklahoma  
Saturday, April 23, 1994

NRCC

**THEMES:****Frank Lucas is "one of us"**

- Deep roots in OK, agriculture and public service
- Farms and ranches the same land his great great grandfather bought in 1900
- Raises his 3 children in Roger Mills County -- not on Capitol Hill in Washington, D.C.
- Dan Webber is "Washington Politician" who only moved back to run for Congress

**Dan Webber Can't Be Trusted To Fight for Us**

- He danced around the "Taxpayer Protection Pledge" -- wouldn't sign it until Clinton Key held a news conference
- He waffled on the Oklahoma Taxpayers Union Pledge against higher taxes for health care -- wouldn't sign it until the OTU announced it bought \$6,000 in radio to publicize his refusal
- And he *still* hasn't signed the Pledge to oppose the VAT Tax -- says he opposes Danforth-Boren, but it didn't keep him from drawing a salary from its biggest promoter
- No wonder Republican Chair Clinton Key calls him "Dandy Dan Dancer the Wafflin' Webber"

**Frank Lucas is a decisive voice who'll fight for Oklahoma**

- Doesn't hesitate when he stands up for lower taxes, less government intrusion in farms and small businesses, and a brighter economic future
- **Frank Lucas has been assured a seat on House Agriculture Committee**
  - During appearance by Ranking Republican Pat Roberts this week
  - It's time farmers and ranchers send one of their own to Washington
  - To Dan Webber, agriculture is a political issue; to Frank Lucas, farming and ranching is his livelihood -- and it's the livelihood of his friends and neighbors

## **ISSUES:**

### **Taxes:**

- Lucas eagerly signed the ATR's Taxpayer Protection and Anti-VAT Pledges and Oklahoma Taxpayers' Union Pledge against higher taxes for health care
- Webber refused to sign the ATR Taxpayer Protection Pledge until after he was called on it by OK State GOP Chair Clinton Key
- Webber refused to sign the Oklahoma Taxpayers' Union Pledge against health taxes until the OTU announced it had bought \$6,000 radio to publicize his refusal
- Webber still hasn't signed anti-VAT Pledge, though he says he opposes it (also says he opposes Boren-Danforth)
- Because of this, OK State Chair Clinton Key calls him "Dandy Dan Dancer, the Wafflin' Webber"

### **Economic Growth, Jobs:**

- OK statewide unemployment rate is 7.5 % -- up .3% in Feb., 1% higher than national average of 6.5%
- Lucas 11-Point Plan for Oklahoma Jobs, including:
  - \$500 Per Child Income Tax Cut
  - Repeal Social Security Earnings Limit
  - Permanent R&D Tax Credit
  - Index Capital Gains & Depreciation schedules
  - Balanced Budget/Tax Limitation Constitutional Amendment
  - Line Item Veto
  - Cap growth of budget at rate of inflation

### **Agriculture:**

- Pat Roberts has assured Lucas a seat on House Agriculture Committee
- This upcoming week Lucas will announce Agriculture Plan:
  - Compensation of landowners for Washington's regulatory "takings" such as the Endangered Species, Clean Water and Wetlands Acts
  - End unfunded federal mandates
  - Compel bureaucracy to employ risk assessments and cost-benefit analysis
  - Oppose COSHA -- OSHA Expansion Bill -- Ford and 123 Democrat cosponsors
  - COSHA would extend OSHA's power into Family Farms, forcing every farm to develop federally-mandated Safety Standards, even those with fewer than 10 employees

**RECENT DEVELOPMENTS:**

**Charlie Stenholm Campaign Swing Thursday, 4/21:**

- Stenholm voted for the BTU Tax:
  - The Affordable Energy Alliance said BTU Tax would have cost Oklahoma businesses alone \$144.6 million in higher energy taxes.
  - The American Petroleum Institute said the average four-person Oklahoma family would have paid \$578 in higher energy taxes had BTU Tax succeeded.
- Stenholm voted to exempt himself and other Congressmen from the mandated family medical leave legislation he imposed on private sector employers (Roll Call No., 21, February 3, 1993);
- Stenholm voted to require taxpayers to foot the bill for politicians' campaigns for Congress, at a cost of \$1 billion over the next 8 years (Roll Call No. 79, April 9, 1992);
- Stenholm opposed a measure that would have required the President to Certify that the national interest is at stake before committing U.S. troops under the command of a foreign national on behalf of the United Nations (Roll Call #473, September 2, 1993).
- I'll pay Charlie Stenholm's motel bill if he'll keep coming back to campaign for Dan Webber all over again!

**Dayton Tire Company Closing (FYI):**

- On Monday, Labor Sec. Reich personally flew to Oklahoma City to hand-deliver a list of "violations" to justify a Federal Judge to sign a TRO locking out Dayton Tire Company plant. Several workers have been killed and maimed.
- Factory was shut down on the spot -- 1,100 workers, some of the best paid in the State (\$16-\$25/hour, some workers report making as much as \$80,000)
- Very next day, Judge reopened the Plant
- The Daily Oklahoman wrote a strongly worded editorial criticizing Reich's visit. However, Sen. Nickels and Rep. Istook have not been visible on the it.

Paid for by the Lucas for Congress Committee

## Frank Lucas - A conservative for Congress.

It's time for Oklahoma to send someone to Congress who will fight the career tax-and-spend politicians. That person is Frank Lucas.

Frank Lucas is a farmer, a family man, a proven leader and a strong conservative. He shares our values, our dreams and our way of life.

Frank Lucas has a proven record of voting against tax increases pushed by special interests and powerful politicians. Lucas has never given in to the tax-and-spend crowd . . . and he never will.

That's why we need Frank Lucas in Congress. He's one of us and he'll fight for us.

## LUCAS

CONGRESS

# OKLAHOMANS EXPECT A MAN TO STAND UP FOR WHAT HE BELIEVES.

*"I don't think more government is better. I never have. Higher taxes and wasteful spending are two things I've fought against as a state legislator. You can count on me, as your congressman, to do the same thing."*

*"Some people say the world's a safe place. And I hope they're right. But until we know for sure, I'll fight to keep bases like Vance and Tinker open."*

*"The energy industry's having a tough time right now. And we're not getting much help from the Clinton Administration. Energy means jobs for Oklahoma. And I'll fight to protect energy and the jobs that go with it."*

*"We need to send Clinton a message that people of the Sixth District will not accept a health care plan which increases costs, limits options and devastates the farming operations and small businesses on which our way of life is built."*

## CONSERVATIVE PRINCIPLES.

*A lot of people talk about conservative principles, but one candidate, Frank Lucas, lives them every day.*

A non partisan approach to and knowledge of a broad range of issues has won Frank Lucas the respect of conservatives and business leaders throughout Oklahoma. During his six years in the legislature, Frank Lucas has fought for the things we believe in. Lower taxes. Less spending. And less government regulation. He's authored legislation to help young farmers get started in agriculture and to stimulate

the energy industry through tax incentives. And like many of us, Frank's against government because, as he puts it, "Governing's got to be done the same way they got every thing else, by setting laws that punish criminals, not us."

## HELPING ENERGY. SAVING JOBS.

*Frank Lucas knows that keeping our economy moving forward means keeping our energy industry strong.*

The Clinton Administration seems to have forgotten about the energy industry. Particularly small, independent producers. Energy related industries account for 14 percent of the jobs in Oklahoma. As our congressman, Frank Lucas will find solutions to our energy problem. In any industry, energy needs a set of rules and guidelines to follow, but excessive regulation is a simple business. One of the first things Lucas will do is form an advisory board, made up of energy producers throughout the State District to increase communication between Washington and Oklahoma's oil and gas producers.

## PROTECTING OUR NATIONAL SECURITY.

*Vance and Tinker are too important to our national security and our economy. Frank Lucas will fight to keep them open.*

Vance and Tinker are responsible for over twenty thousand jobs in Oklahoma. Profits in Erie and the Oklahoma City areas depend on them for their life blood. But as important as those jobs are, these bases are also critical to our national security. Our long borders in Alaska, the Middle East and North Korea could result in an escalation of conflicts. If the United States is involved to be anything less than the super power it is, then security for the world is at risk. Bill Clinton wants more jobs in our defense. Frank Lucas thinks we've made enough - he will work with Senator Nickles to ensure that we do not compromise the security and readiness of our armed forces.

## A FIFTH GENERATION OKLAHOMA FARMER WITH OKLAHOMA VALUES.

*We don't need another lawyer in Congress. We need a farmer and rancher who understands the business of agriculture. Frank Lucas does.*

Agriculture is a way of life in Oklahoma. It represents billions of dollars to our economy each year. Yet we have no farmer or rancher in Congress from Oklahoma. More than anything else, this election is about who can best represent every citizen in the Sixth District, and who can do it effectively. Frank Lucas knows we need to export more of our farm products, but regulation and red tape are hindering that process. When the new Farm Bill comes up in Congress next year, we need a congressman who doesn't need to be bribed by some sure interest for it to pass. Someone who'll be able to speak up on exports and other issues important to farmers. Frank Lucas can.

*This election is about  
a fifth generation farmer and rancher,  
Frank Lucas - versus two lawyers ...  
one who's lived in Washington the past six years  
and one who moved into the Sixth District to run for Congress.*

## Boren's Aide Isn't Getting a Free Ride In Oklahoma Special

With little national fanfare, an extremely close race is shaping up in the May 10 special election to fill the Oklahoma 6th district seat vacated by Democrat **Glenn English**, who left the Hill in January to become executive vice president of the National Rural Electric Cooperatives Association.

The race pits 34-year-old state Rep. **Frank Lucas**, the Republican nominee, against 28-year-old **Dan Webber**, the Democrat and former press secretary to Oklahoma Sen. **David Boren** (D). The district, one of three that includes part of Oklahoma City, heads north and mostly west, comprising over 25,000 square miles — about a third of the state's land area.

In presidential elections the district votes Republican: **George Bush** beat **Michael Dukakis** by 15 points in 1988 and **Bill Clinton** by almost 9 points in 1992 Down-ballot, though, the voting patterns are very different. English was re-elected routinely, and voting in gubernatorial and US Senate elections has pretty much mirrored the rest of the state.

This shouldn't be surprising, since the district includes everything from inner-city neighborhoods to prairie country. Thirty-four percent of the vote is in Oklahoma County (Oklahoma City), 12 percent in Garfield County (Enid), and the rest is spread among all or parts of 22 other counties.

ates just after Lucas's April 5 runoff victory over state Sen. **Brooks Douglass**. Democrats dispute those numbers, saying that a survey of registered voters in a special election is totally inappropriate. They claim their own surveys show the race to be neck-and-neck.

Lucas, who chairs the state House GOP Caucus, is counting on a high turnout from a lottery initiative that will also be on the ballot. That's because he does better with younger voters, who usually participate in lower numbers, while Webber does better among older voters, who cast their ballots come hell or high water.

## Political Surveyor

By Charles E. Cook

Lucas-backers complain that Webber's candidacy is nothing more than a creation of Boren, suggesting that many other prominent Democrats wanted the nomination and would have sought it had they not been "muscled out" by the Senator, a political powerhouse in the state.

Business PAC directors are privately complaining about what they describe as very heavy pressure from the Senator to contribute to his protege — ironic, given Boren's strong opposition to PACs and frequent complaints about the influence of special interest money.

It's unlikely that Webber — who joined Boren's staff right out of college, has never sought public office, and moved back to the district where he was born and raised just in time to run — would be the nominee without the very active support of his old boss.

Democrats retort that Webber, who has worked on both agriculture and oil and gas issues for Boren, has earned his stripes on Capitol Hill every bit as much as Lucas has in the legislature. As for suggestions that Webber may be a little young for the job, one Democrat joked, "The other guy looks like he's 12, too."

Given the closeness of the race, politicians in the district are watching very closely to see if an action on Monday by Secretary of Labor **Robert Reich** will become a factor in the election.

According to the Daily Oklahoman, Reich arrived at the Dayton Tire plant in Oklahoma City Monday morning at 9:10 a.m. to deliver citations for \$7.5 million in OSHA violations, then went to court to seek an emergency injunction forcing the plant to comply immediately with federal safety

rules. The action effectively shut down the plant, which employs 1,100 hourly union workers and 350 to 400 salaried workers.

The citations were the result of an Oct. 19 accident at the plant in which a worker was fatally injured by a fire press. According to the Oklahoman, Reich received a report on the incident on Friday and decided to deliver the citations personally on Monday.

On Tuesday, a federal judge ordered the plant reopened over the objections of Labor

*As for suggestions that Webber may be too young for the job, one Democrat joked, 'The other guy looks like he's 12, too.'*

Department attorneys, who argued that continued operation would risk serious injuries to plant workers. The question is whether Reich's action will spill over into the Congressional race in the adjacent district.

The Daily Oklahoman, in a front-page news story, wrote: "What's worse, the action threatened more than 1,000 workers with the loss of some of the best-paying jobs in the state...."

Regardless of the facts, such an action and the resulting editorializing in front-page news stories in the only newspaper with statewide circulation could hurt Webber's efforts to identify himself as a David Boren-Glenn English Democrat and put the Clinton Administration more on people's minds.

Dear Frank:

Congratulations on winning the Republican primary for Oklahoma's 6th Congressional District.

I am looking forward to helping out on April 23 when I visit the District to host a fundraiser. You are an excellent candidate for the Republican Party and will make an even better Member of Congress. The 1993 races proved to be very successful for Republicans -- we expect more of the same in 1994!

I look forward to seeing you later this month.

Sincerely,

BOB DOLE

## NIXON ADDITION FOR OKLAHOMA

I CAN'T ~~HELP~~ BEGIN THIS  
~~MORNING~~ <sup>EVENING</sup> WITHOUT SAYING A  
WORD OR TWO ABOUT RICHARD  
NIXON.

I'LL ALWAYS REMEMBER THE  
FIRST TIME I MET RICHARD  
NIXON. IT WAS IN 1964, AND HE  
CAME TO PRATT, KANSAS TO

**HELP ME IN A TOUGH RE-  
ELECTION BATTLE. HE STOOD ON  
A BALE OF HAY AND DELIVERED  
ONE OF THE BEST SPEECHES I  
EVER HEARD--WITHOUT A NOTE IN  
HIS HAND.**

**AND I'LL ALSO ALWAYS  
REMEMBER THE LAST TIME I SAW  
RICHARD NIXON. IT WAS A LITTLE  
OVER TWO MONTHS AGO, WHEN**

I HOSTED A LUNCH IN THE  
CAPITOL, MARKING THE 25TH  
ANNIVERSARY OF HIS  
INAUGURATION AS PRESIDENT.

AT THE END OF THE LUNCH,  
HE DID WHAT HE HAD DONE  
THIRTY YEARS EARLIER--HE  
STOOD UP, AND DELIVERED ONE  
OF THE BEST SPEECHES I EVER  
HEARD--WITHOUT A NOTE IN HIS

HAND. DON NICKLES AND HENRY  
BELLMON WERE THERE, AND I'M  
SURE THEY REMEMBER THAT  
SPEECH, AS WELL.

AFTER THE SPEECH, THE  
PRESIDENT CAME BACK TO MY  
OFFICE TO REST FOR A MINUTE--  
ONLY HE DIDN'T GET MUCH REST.  
FOR MY OFFICE WAS  
SURROUNDED BY YOUNG

**CAPITOL HILL STAFFERS WHO  
WANTED TO SHAKE HIS HAND,  
AND TO TELL HIM HOW MUCH  
THEY ADMIRER HIM.**

**THEY--AND COUNTLESS  
OTHER AMERICANS--DIDN'T  
ADMIRE HIM BECAUSE HE WAS  
PERFECT--FOR HE WASN'T. BUT  
THEY ADMIRER HIM FOR HIS  
INTELLECT, FOR HIS COURAGE,**

**FOR HIS PERSEVERANCE, FOR HIS  
COMMITMENT TO AMERICAN  
LEADERSHIP, AND FOR HIS  
DEDICATION TO PEACE.**

**IN HIS FIRST INAUGURAL  
ADDRESS, RICHARD NIXON SAID  
"THE GREATEST HONOR HISTORY  
CAN BESTOW IS THE TITLE OF  
PEACEMAKER."**

**WHEN ALL IS SAID AND  
DONE, I THINK RICHARD NIXON  
WILL GO DOWN IN HISTORY AS  
ONE OF THIS CENTURY'S  
GREATEST PEACEMAKERS.**

**RICHARD NIXON ALSO LOVED  
THE REPUBLICAN PARTY AND HE  
LOVED POLITICS...SO I THINK IT'S  
FITTING THAT WE TALK A LITTLE  
REPUBLICAN POLITICS TODAY.**

**SENATOR BOB DOLE**

**TALKING POINTS**

**OKLAHOMA REPUBLICAN PARTY**

**ROUND-UP**

**APRIL 23, 1994**

**MY FIRST ORDER OF  
BUSINESS THIS <sup>EVENING</sup> ~~MORNING~~ IS TO  
SAY THANK YOU TO OKLAHOMA  
REPUBLICANS.**

THANK YOU FOR SENDING  
DON NICKLES TO THE SENATE.

THANK YOU FOR SENDING  
JIM INHOFE AND ERNIE ISTOOK  
T O T H E H O U S E O F  
REPRESENTATIVES.

AND THANK YOU FOR WHAT  
YOU'RE GOING TO DO ON MAY 10,  
WHEN FRANK LUCAS BECOMES  
THE THIRD REPUBLICAN MEMBER

OF THE OKLAHOMA HOUSE  
DELEGATION.

T H E R E A R E 4 3 5  
CONGRESSIONAL DISTRICTS IN  
THE UNITED STATES--BUT THE  
MOST IMPORTANT ONE IS RIGHT  
HERE IN OKLAHOMA'S 6TH  
DISTRICT.

A FRANK LUCAS VICTORY  
WOULD SEND A BIG, BIG

**MESSAGE--NOT JUST HERE IN  
OKLAHOMA, BUT ACROSS THE  
COUNTRY.**

**AND THAT MESSAGE IS ONE  
THAT AMERICANS STILL WANT  
CHANGE--AND THE BEST WAY TO  
GET THAT IS TO CHANGE THE  
MAJORITY PARTY IN THE HOUSE  
AND SENATE.**

**FOR 40 CONSECUTIVE YEARS**

**THE DEMOCRATS HAVE  
CONTROLLED THE U.S. HOUSE  
OF REPRESENTATIVES...AND FOR  
32 OF 40 YEARS THE DEMOCRATS  
HAVE CONTROLLED THE U.S.  
SENATE.**

**FRANK LUCAS IS GOING TO  
WIN BECAUSE HE'S A GOOD  
CANDIDATE WITH GOOD IDEAS,  
AND A STRONG ORGANIZATION.**

BUT HE'S ALSO GOING TO WIN  
BECAUSE HE'S DRIVING HOME  
THE MESSAGE THAT IT DOES  
MATTER WHICH PARTY  
CONTROLS THE HOUSE AND  
SENATE.

AND THAT'S OUR CHALLENGE  
FOR THIS NOVEMBER'S  
ELECTIONS.

OUR MESSAGE MUST BE

**THAT IT DOES MATTER WHICH  
PARTY HAS THE MAJORITY IN THE  
HOUSE OF REPRESENTATIVES...IT  
DOES MATTER WHICH PARTY HAS  
THE MAJORITY IN THE SENATE.**

**IT MATTERS TO YOUR  
WALLET. LAST WEEK WAS APRIL  
15--AND YOU SAW WHAT  
PRESIDENT CLINTON AND THE  
DEMOCRAT CONGRESS GAVE**

**YOU--THE LARGEST TAX  
INCREASE IN HISTORY--A TAX  
INCREASE WHICH EVERY  
REPUBLICAN IN THE HOUSE AND  
SENATE VOTED AGAINST.**

**ALONG WITH A \$260 BILLION  
INCREASE IN TAXES AND FEES ON  
MILLIONS OF AMERICAN FAMILIES  
AND SMALL BUSINESSMEN AND  
WOMEN, THE PRESIDENT'S**

**BUDGET ALSO CALLED FOR MORE  
THAN \$300 BILLION IN INCREASED  
DOMESTIC FEDERAL SPENDING,  
AND, EVENTUALLY, BIGGER AND  
BIGGER DEFICITS.**

**I F R E P U B L I C A N S  
CONTROLLED THE AGENDA IN  
THE HOUSE AND SENATE, THINGS  
WOULD BE DIFFERENT.**

**INSTEAD OF A TAX INCREASE**

AS A TOP PRIORITY, THERE  
WOULD BE A CUT IN THE CAPITAL  
GAINS TAX RATE.

INSTEAD OF A BUDGET  
INCREASE, THERE WOULD BE A  
BALANCED BUDGET AMENDMENT,  
A LINE ITEM VETO, AND A  
PACKAGE OF SPENDING  
REDUCTIONS.

CHANGING THE PARTY THAT

**CONTROLS CONGRESS ALSO  
MATTERS TO YOUR HEALTH CARE.**

**I BELIEVE THERE STILL IS A  
GOOD CHANCE WE CAN REACH A  
BI-PARTISAN PLAN. BUT THE  
STARTING POINT FOR THE  
DEBATE WAS THE PRESIDENT'S  
HEALTH CARE PLAN--A PLAN  
THAT TURNED ONE-SEVENTH OF  
OUR ECONOMY OVER TO THE**

**FEDERAL GOVERNMENT.**

**INSTEAD OF STARTING FROM  
TURNING OUR PRESENT SYSTEM  
INSIDE OUT, REPUBLICANS  
WOULD START FROM THE  
PROPOSITION THAT WHILE THERE  
ARE PROBLEMS WITH OUR  
SYSTEM, IT IS THE BEST IN THE  
WORLD.**

**AND INSTEAD OF CHANGING**

**100% OF OUR HEALTH CARE  
SYSTEM TO DEAL WITH THE 15%  
WHO MAY HAVE PROBLEMS  
GETTING INSURANCE, WE WOULD  
KEEP WHAT WORKS, AND HELP  
THOSE WHO ARE IN REAL NEED.**

**CHANGING THE PARTY THAT  
CONTROLS CONGRESS ALSO  
MATTERS TO THE SAFETY OF OUR  
STREETS.**

WHENEVER CONGRESS  
APPEARS ON THE VERGE OF  
PASSING A TRULY TOUGH ANTI-  
CRIME BILL, THE DEMOCRATS  
GET NERVOUS, AND WATER IT  
DOWN. MANY OF THEM STILL  
CAN'T GET PAST THEIR BELIEF  
THAT CRIMINALS ARE THE  
VICTIMS OF SOCIETY.

REPUBLICANS KNOW THAT

THEY HAVE IT BACKWARDS. IT'S  
SOCIETY THAT IS THE VICTIM OF  
CRIMINALS. AND IF ORRIN HATCH  
REPLACED JOE BIDEN AS  
CHAIRMAN OF THE SENATE  
JUDICIARY COMMITTEE, I  
GUARANTEE YOU THAT WE  
WOULD PASS THE TOUGHEST  
ANTI-CRIME BILL EVER IN  
RECORD TIME.

**CHANGING THE PARTY THAT  
CONTROLS CONGRESS ALSO  
MATTERS TO OUR NATIONAL  
SECURITY.**

**IN A FEW WEEKS, I'LL BE  
JOINING MY COLLEAGUES AT  
N O R M A N D Y F O R T H E  
CELEBRATION MARKING THE 50TH  
ANNIVERSARY OF D-DAY.**

**D-DAY OCCURRED AND**

WORLD WAR II WAS WON ONLY  
BECAUSE OF AMERICAN  
LEADERSHIP. AND EVER SINCE  
THEN, IT HAS BEEN AMERICAN  
LEADERSHIP THAT WON THE  
COLD WAR, AND AMERICAN  
LEADERSHIP THAT KEPT THE  
PEACE AND BROUGHT FREEDOM  
AND DEMOCRACY TO COUNTRIES  
IN EVERY CORNER OF THE

**GLOBE.**

**DID WE PAY A PRICE FOR  
THAT LEADERSHIP? YOU BET WE  
DID--A PRICE IN LIVES LOST AND  
IN BILLIONS OF DOLLARS SPENT.**

**BUT WAS IT WORTH THE  
PRICE? YOU BET IT WAS. THE  
WORLD IS A SAFER PLACE, A  
FREER PLACE, A BETTER PLACE,  
BECAUSE OF AMERICAN**

## LEADERSHIP.

I AM AFRAID, HOWEVER,  
THAT THE CLINTON  
ADMINISTRATION BELIEVES THAT  
AMERICAN LEADERSHIP IS A  
THING OF THE PAST. THEY SEEM  
TO BELIEVE THAT THE INTERESTS  
AND LEADERSHIP OF THE UNITED  
STATES IS LESS IMPORTANT THAN  
THE INTERESTS AND LEADERSHIP

**OF THE UNITED NATIONS.**

**NOW, BOUTROS BOUTROS  
GHALI MAY BE A NICE MAN, BUT  
THE LAST TIME I CHECKED, NO  
ONE IN THE UNITED STATES  
ELECTED HIM TO RUN OUR  
FOREIGN POLICY.**

**IN BOSNIA, KOREA, AND  
MANY PLACES ACROSS THE  
GLOBE, IT'S TIME FOR THE**

CLINTON ADMINISTRATION TO  
UNDERSTAND THAT THERE IS A  
DESPERATE NEED FOR AMERICAN  
LEADERSHIP. WE ARE NOT JUST  
ANOTHER CO-EQUAL MEMBER OF  
NATO--WE ARE THE WORLD'S  
ONLY REMAINING SUPERPOWER.

AND PUT REPUBLICANS IN  
CHARGE OF THE ARMED  
SERVICES COMMITTEE, AND I CAN

**GUARANTEE YOU THAT THE  
PRESIDENT'S GUTTING OF OUR  
NATIONAL SECURITY BUDGET  
WILL COME TO A QUICK END.**

**DON'T GET ME WRONG. I'VE  
NEVER CLAIMED THAT  
REPUBLICANS ARE PERFECT.  
WE'VE MADE SOME MISTAKES IN  
THE PAST. AND WE NEED TO DO  
A BETTER JOB AT OPENING OUR**

**PARTY'S DOORS TO ALL  
AMERICANS.**

**BUT I DO BELIEVE WE ARE THE  
PARTY OF IDEAS. WE ARE THE  
PARTY OF LESS TAXES, LESS  
SPENDING, LESS GOVERNMENT,  
AND A STRONG  
AMERICA.**

**PRESIDENT CLINTON**

ACCUSED US OF BEING THE  
PARTY OF "NO." I BELIEVE,  
HOWEVER, WE ARE THE PARTY OF  
YES---YES TO LOWER TAXES; YES  
TO LOWER SPENDING; YES TO  
SMALLER GOVERNMENT; YES TO  
A STRONG AMERICA.

AND THAT'S WHY IT'S SO  
IMPORTANT THAT VOTERS SAY  
"YES" TO REPUBLICAN

**CANDIDATES--INCLUDING YOUR  
GUBERNATORIAL CANDIDATE  
THIS NOVEMBER.**

**AND THAT'S WHY IT'S SO  
IMPORTANT THAT YOU SAY "YES"  
TO FRANK LUCAS ON MAY 10.  
THANK YOU.**
