Dear Senator:

I would truly be grateful if you would assist me with a very special request.

I sponsor a program called Congressional Classroom, involving one high school junior from each school in my Congressional district. This year's group of 17 students and their chaperons will spend the week of May 23-28 in Washington watching our government in action.

One of the highlights would be the opportunity for them to meet with a number of Senators and Members of Congress. I would be honored to have you participate.

We are having a luncheon on the Senate side on Wednesday, May 25 in Room SC-4 of the Capitol. It would be great if you could plan on stopping by for about 15 minutes between 12:00 and 2:00 pm that day. We would ask you to say a few words and then give the students the opportunity to ask you some questions. I know it would be an event they would never forget.

Tricia LaMorte of my staff will be in touch with your scheduler, but if you have any questions in the meantime, please don't hesitate to call me.

Kind regards.

Sincerely,

DM:tll
