

THE VICE PRESIDENT  
WASHINGTON

April 30, 1984

The Honorable Robert Dole  
United States Senate  
Washington, D.C. 20510

Dear Bob:

I'm afraid we had to regret the wonderful invitation extended by Mayor Larry Plaggerman and Major General Neal Creighton to attend the 40th anniversary of the Normandy Invasion celebration. It just didn't work out.

I do want to thank you, however, for all the positive input you gave me - I'm sure it will be a very successful event.

Warm personal regards.

Sincerely,

  
George Bush
