GEORGE BUSH

Dear Bob,

Someone just handed me your "Tribute". Thanks so very much for doing that.

Bob, I'll never be able to adequately thank you for your leadership and support - for beyond what was

called for. You
were magnificent.

Listen, I'm only
a 2 day expert; but
private life doesn't
seem bad at all.
Barbara can cook
and I find I can
walk the dogs OK.

Again My Thanks

George
