BOB DOLE

GETTYSBURG
PENNSYLVANIA

June 14, 1963

Dear Bob:

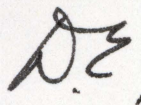

Thank you very much for the telegram about the defeat of the Area Redevelopment Bill. It is amazing how demagogues always try to take a decent idea and expand in into something no sensible individual could support.

Congratulations to you and your colleagues in the House!

I cannot tell you how much I enjoyed breakfast the other morning; it was a privilege to be once again with such good friends.

With warm regard,

Sincerely,

Whitings

Honorable Bob Dole
House of Representatives
Washington, D. C.
