May 15th

Dear Leader,

I did not come to the event that just took place but watched it on TV. Your depth of feeling and eloquence of words left me wanting to say "thank you" for many years of fine service to this body and the people of America.

After watching for three years I have come to the conclusion that you are so remarkable persons. It truly has been a privilege to know you and I wish you well.

Please keep both the twinkle and the smile in the days ahead.

Best,

Dianne

Dear Diianne:

I kept your note on top of my desk for several days, and read it a number of times. I am grateful for your very kind thoughts and for your friendship.

After I leave the Senate, it is my hope that you will keep in touch, and let me know if I can be of help.

It was good to see Richard last week, and Elizabeth joins with me in sending our very best to both of you.

Best regards,
