

NANCY LANDON KASSEBAUM
KANSAS

United States Senate

WASHINGTON, D. C.

Dear Bob.

My warmest thoughts were with you last week.

Words are of small comfort - but may the prayers and thoughts of your many friends in Kansas and the nation lend support.

The special memories of family and growing up are enduring and enriching. You gave your parents a very special gift, Bob, in the enjoyment and pride they shared in watching your remarkable career.

With warmest wishes always -

Nancy
