

NANCY LANDON KASSEBAUM
KANSAS

United States Senate
WASHINGTON, D. C.

Dear Bob.

as Bill Rogers said, "all politics is applesauce" — but that doesn't make the day seem any brighter, I know.

I only regret that I wasn't of any real help. Unfortunately. Bob, I'm not sure that the great number of admirers that you have around the country will ever adequately be reflected in a vote.

Certainly my respect and admiration

Continues to grow.

As ever.

Nancy
