The Honorable Robert Dole  
United States Senate  
Washington, D.C. 20510

Dear Senator:

The position which you took in the successful effort involving Senator Hart's Copyright Revision Bill amendment was very helpful to professional baseball. In my view it served the public interest as well.

I thank you personally for lending a hand so promptly and effectively, and urge your continued support in this difficult and complex matter.

Sincerely,

KANSAS CITY ROYALS  
BASEBALL CLUB
