Dear Bob —

"Success is never final, failure is never fatal, it's courage that counts." Winston Churchill's words were meant for Bob Dole.

Your courage, Tenacity & indefatigable<sup>\*</sup> spirit won the day for the Congress, the Senate & your place in history. You won in defeat, & even though we both will be critiqued to the "nth" degree, be assured this nation stands on your shoulder & those like you throughout our 20th Century.

It was the greatest public honor of

my life to be your "partner", & as we  
ride home on this plane, (day after our  
loss at the polls) I can't help but  
think of Mr Churchill's words in  
relation to you & Elizabeth & your  
lifetime of service to America.

you have my undying loyalty,  
friendship & admiration as you take on  
the next period of service to our nation.

Joanne & I love you both & thank  
you for allowing us to be a part of your  
valiant effort, gratefully,
