

HOUSE OF REPRESENTATIVES  
WASHINGTON, D. C. 20515

GERALD R. FORD  
MINORITY LEADER

November 28, 1973

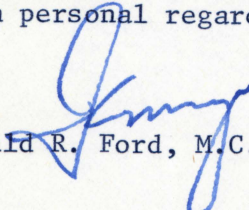

Dear <sup>Bob</sup> Senator Dole:

I want to thank you formally for your support and personally for your confidence in me.

The United States Senate has already eased some of my sadness at the prospect of leaving the "other body." I believe I will soon learn to love both.

Your generous comments on the floor of the United States Senate also were greatly appreciated.

Warm personal regards,

  
Gerald R. Ford, M.C.

The Honorable Robert Dole
