

THE WHITE HOUSE

WASHINGTON

March 10, 1975

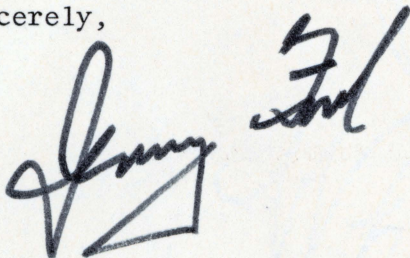

Dear Bob:

Many thanks for the March 6 letter from you and Jim Pearson concerning possible complications in providing an adequate supply of energy products to the agricultural community.

We are certainly in agreement that this is essential not only to the industry but to our economic recovery. I shall ask my energy advisers to look into this potential problem area as soon as possible and provide me with a report. I do appreciate having the analysis of it from you and Jim.

With warmest personal regards,

Sincerely,
