

GERALD R. FORD

February 21, 1984

Dear Bob:

As you know I participated in a function at Independence, Kansas as you requested.

In case you missed it, here is the Independence Daily Reporter story on the event. Hope it does some good for a favorite Senator and first class V.P. teammate.

Thanks for your help with Howard on the fundraising letter for the Gerald R. Ford Foundation.

Warmest, best wishes,

The Honorable Robert Dole
