Dear Bob:

Betty and I deeply appreciated your participation in the wonderful celebration of our Birthdays & 45<sup>th</sup>. You did a superb job as the Master of Ceremonies. We thank you for your generous comments.

It was a very special evening to be with so many old and dear friends. We hope you enjoyed yourself despite your chores as Toastmaster.

Being with you brought back many wonderful memories of "76." You were a great partner.

We are grateful for your many kindnesses, especially your friendship. Best Regards,  
Jerry
