

THE WHITE HOUSE

WASHINGTON

November 6, 1969

Dear Bob:

The strong support which you and so many of your Senate colleagues offered following my Monday evening message to the Nation should serve as ample evidence to the leaders of North Vietnam that the time has come to move forward at the conference table to end this tragic war. Your expression of confidence that our course will lead to peace is a source of deep encouragement.

With warm regard,

Sincerely,

Honorable Robert Dole  
United States Senate
