Dear Bob -
A quick note to thank
you for taking time out
of your busy schedule to
have lunch. I loved see-
ing everybody and talking
"politics". I hope everything
goes well for us. I'm delighted.

San Diego. I did find some
date pertaining to Rowie which
you asked for and I could
find for them to see -
I'll send them to you -
Truly
Yours

Don't forget about the children.
All the children are holding their breath!
