

NANCY REAGAN

May 5, 1995

Dear Bob,

I was pleased to hear today through the grapevine that former Governor John Carlin has your support for National Archivist.

As I think I mentioned during my recent visit to Washington, everyone at the Ronald Reagan Presidential Library & Museum and Center for Public Affairs is very enthusiastic about John Carlin. I just wanted you to know that, given their support, Ronnie and I are happy to endorse this nomination.

With best wishes,

Sincerely,

Nancy
