141 Senate Hart Building
Washington, D.C. 20510

Dear Bob:

Have just learned of your mom's passing. I can't help but think of the time I was in Russell following our district convention last spring where I had the occasion to visit with your family and your mother at some length when they were having dinner. Naturally the subject at hand turned to you and there was such pride in her eyes when she talked about "Bob."

I am sorry the schedule is such that I could not be with you during the services, but I did want you to know that my thoughts were with you.

I will venture to say that you doubtlessly have touched the lives of many thousands of people through your years of public service. I will take the liberty of observing that no one had a deeper and better sense of pride in your accomplishments than your mom and dad.

With every best personal wish,

Sincerely,

Pat Roberts
