

RONALD REAGAN
PACIFIC PALISADES

March 7

Dear Mr. Dole

Thanks for your kind letter. Unfortunately it is impossible for me to make an advance commitment at this time. Most of my travel time is taken up by M. E. in a number of speaking tours each year. All I can do is forward your request with the hope that a trip is aimed your way soon.

Perhaps I should explain, I don't fly so I can't take off and squeeze in a date in a few hours time.

Again my thanks & I hope there will be a chance to meet in the near future -

Sincerely
Ronald Reagan
